A foremost authority**For information on paper**

Océ is a leading supplier of products and services for the presentation of information on paper.

The extensive Océ product range includes:

- copiers and supplies for office systems
- copiers, printers, plotters and supplies for design engineering
- laser printing systems and supplies for applied information technology

Océ products are designed, manufactured and marketed largely by Océ itself. With headquarters in The Netherlands, the Océ Group is active in approximately 80 countries, with full Océ subsidiaries in some 25 countries. Océ employs 12,000 people worldwide. Annual revenue exceeds U.S. \$1.4 billion.

Océ machines and materials are marketed by the Océ Group of companies in Australia, Austria, Belgium, Brazil, Brunei, China, Czech Republic, Denmark, Finland, France, Germany, Hong Kong, Ireland, Italy, Luxembourg, Malaysia, The Netherlands, Norway, Portugal, Singapore, Slovakia, Spain, Sweden, Taiwan, Thailand, United Kingdom and United States.

Océ co-operates with licensees or distributors in most other countries of the world.
