

Eurythmy part-time training

 Eurythmy
West Midlands
&

PEREDUR EURYTHMY

This part-time training is offered as a joint venture by Peredur Eurythmy & Eurythmy WestMidlands.

It gives a unique opportunity to begin a eurythmy training without giving up one's job.

It is for committed, enthusiastic people who are unable to join a full time eurythmy training.

The weekend sessions take place at the Glasshouse Art Centre, Stourbridge, West Midlands; the blocks at Peredur Centre for the Arts, East Grinstead.

Successful students will complete the training with a Diploma in Eurythmy issued by the Section for Performing Arts in Dornach, Switzerland.

At various stages part time students are able to join the full time training. The part time training will take at least five years.
