STREET FOOD STALLS

If you're looking for a fun and interactive dining experience, Country City Catering offers street food-style service with beautifully styled stands and a wide range of menu options—from tacos and pizza to steamed buns, hog roasts, and BBQ.

Our stands are designed for guests to mingle and enjoy smaller tasting portions rather than a full meal. We recommend 2 portions per person if this is your main catering, or 1 portion per person as an additional food offering. Prices start from £12 per person, with staffing, equipment, and transport charged separately. It's a relaxed, engaging way to serve great food and create a lively, memorable event.
