THE BURNSIDE PARTNERSHIP

OXFORD MARLOW LONDON

Visiting The Burnside Partnership

The Burnside Partnership is located at Blenheim Palace Sawmills which is between the villages of Long Hanborough and Combe. From Long Hanborough, take the road marked for Combe and Stonesfield which will take you down a steep hill and over a single carriageway bridge. The turning for Blenheim Palace Sawmills is on the left around 100m after the bridge. The site is also home to Combe Mill which is shown on brown tourism signs.

On entering the site from Swan Lane, you will go up a long drive and will then pass Combe Mill on your left. The drive will veer to the left into the car park which is free and unrestricted. From the car park, walk up a short flight of steps between the two buildings running the length of the car park and The Burnside Partnership will be opposite you, slightly to your left. If you require Disabled parking, this is immediately in front of you at the end of the drive and you will have step-free access to our building.

Our full address is:

The Burnside Partnership,
The Carpenters' Workshop
Blenheim Palace Sawmills,
Combe, Oxfordshire OX29 8ET
