# ST. SIMONS PUPPY PARADISE, L.L.C. & PET PARENT CONTRACT

Please read this contract in its entirety. Please initial each paragraph before signing at the bottom of the page. In consideration for your dog(s) being admitted to St. Simons Puppy Paradise, L.L.C. (*hereinafter referred to as "SSPP"*), you agree to all of our policies and procedures. In addition, you agree to our terms and conditions as set forth below.

- All Dogs Must be on a Leash.** All dogs entering and exiting our facility must be on a leash. Remember, your dog may be friendly, but we may have other dogs in our lobby that have not been assessed yet. There may also be pets present for services other than socialization. Please Initial \_\_\_\_\_
- Risks and Benefits.** The safety and well-being of your pet is our first and foremost priority. All dogs that are admitted to SSPP are closely monitored by our staff at all times. While we take every precaution to ensure your dog's safety, you understand that there are risks associated with group socialization of dogs. Just like children at a playground, bumps and bruises may occur. Dogs have a tendency to play with their mouths and paws, and there may be times where your pet will get a nick by another dog's tooth or nail. Any injuries to your pet will be reported to you. By signing below, you agree that the benefits of group play outweigh the risks, and that you accept those risks. Please Initial \_\_\_\_\_
- Medical Care / Emergency.** In the rare circumstance that a medical emergency arises while your pet is at our facility, it is imperative that we get him or her medical attention immediately. You agree and authorize SSPP, at its sole discretion, to seek medical attention at once. You also agree that you may be contacted after your pet is being treated to avoid any delays. Further, you agree that you will assume full financial responsibility for any expenses involved. You further understand and agree that any problems with your pet, whether behavioral, medical or otherwise will be treated in what we, SSPP, in our sole discretion, view as being in the best interest of your pet. Please Initial \_\_\_\_\_
- Canine Cough (and Other Illnesses).** Any dog that is admitted to SSPP must be healthy and up to date on Rabies, Bordetella, and DHLPP Vaccinations. However, no amount of supervision, sanitation or personalized care can fully prevent a dog from catching an airborne virus. The most common of such viruses is Canine Cough, medically known as *Infectious Tracheobronchitis*. Although the Bordetella vaccination, which we require, is designed to prevent the Canine Cough, some strains of the virus are not included in any of the available vaccines. Therefore, in many cases, there is no way to protect against other strains. The main symptom of Canine Cough is a loud and hacking cough. Since the virus can be present anywhere and travel considerable distances through the air, it can affect any canine, even one who never leaves his or her own backyard. By signing below, you acknowledge that Canine Cough (and Other Illnesses) are more likely to occur where the concentration of dogs is greater. Please Initial \_\_\_\_\_
- Right to Refuse Service.** SSPP reserves the right to refuse service for any reason and to any customer. Such determinations will be made at the sole discretion of SSPP. In addition, although we love all dogs, your dog must be friendly towards other pets and people, and not exhibit aggressive tendencies. By signing below, you acknowledge that your dog may be separated from others, or asked not to return if he or she exhibits aggressive or unacceptable behavior. Such determinations will be made at the sole discretion of SSPP. Please Initial \_\_\_\_\_
- Overnight Boarding and Suites / Kennels.** While we do our very best to make your pet's overnight stay as enjoyable as possible, he or she may exhibit symptoms of stress, such as appetite changes or destructive chewing. Therefore, SSPP does not recommend leaving items such as towels, blankets or toys with your pet overnight. Should you decide to leave these items against our advice, you agree that SSPP will not be responsible for any damage caused to such items, or for harm caused to your pet. You further agree that we, in our discretion and for the safety of your pet, may remove items that you instructed us to leave with your pet overnight but that we deem dangerous to your pet. You further understand and acknowledge that SSPP has 20 Overnight Suites. Reservations for these Suites will be granted on a first come basis. In the event that our Suites are already reserved, your pet will be accommodated in a Standard Kennel. You further understand and agree that there will be no price adjustment for a Kennel, as the standard of care for your pet remains the same. Additionally, if you should elect to board multiple pets from your family in an enclosure together, SSPP does not assume responsibility for harm caused by the pets to each other. Please Initial \_\_\_\_\_
- Photographs.** By signing below, you hereby allow SSPP to take photographs and videos of your pet. You also agree to allow SSPP to use these photographs and videos in print form or otherwise, and for publication and promotion. Please Initial \_\_\_\_\_
- Pricing and Late Fees.** Please understand that we are a small business. To provide optimal care for your pet, and while maintaining affordable prices, we have determined specific price points for different services. By signing this contract, you agree to our posted prices. You also understand that these prices are not negotiable and that full payment is due once services have been rendered. You further agree to our late fee of \$10 for pick-up between 1 and 15 minutes post closing. After 15 minutes, we reserve the right to require your dog to spend the night with us. Please Initial \_\_\_\_\_
- Harm / Damage Caused by my Pet.** By signing below, you agree that you are solely responsible, financially or otherwise, for any harm or damage caused by your pet while attending any services provided by SSPP. Please Initial \_\_\_\_\_
- Fencing.** Our fencing inside and outside our building is 6 feet high. Although all dogs are supervised by staff at all times, you understand that, although extremely unlikely, there is a possibility that your pet may jump or climb over a fence. By signing below, you agree to hold SSPP harmless should your pet clear our fencing. Please Initial \_\_\_\_\_
- Abandonment.** If your pet is not picked up by a specified date or time, you authorize SSPP to take whatever action we deem necessary for the continuing care and best interest of your pet. You agree to pay SSPP for the cost of such continuing care. You further understand that if you do not pick up your pet at all, SSPP will proceed according to the guidelines provided by The State Abandoned Animal Statute, *Abandonment of Animals by Owner, Procedure for Handling*. Please Initial \_\_\_\_\_
- General Liability Release.** By signing below, you agree that you will not hold SSPP, its owner, staff, partners, volunteers and independent contractors liable, financially or otherwise, for injury or harm to your dog, yourself, or any property of yours while your dog is participating in services provided by SSPP. You further agree to release SSPP of any liability of any kind arising from your dog's participation in any and all services provided by SSPP. Please Initial \_\_\_\_\_
