This is the invite email you'll receive once you request to be added to the program.

If you choose the mobile app setup, here is the organization code you'll need to copy and paste into the first box when that opens up.

The rest of this setup is through the website as I found that easier for the settings portion of the Scrip program. I'll create another how-to document if it's helpful for you!

You'll see steps 1-5 next. They're standard account setup things and each one has notes on how to finish that step.

Add a Bank Account for Online Payment

Gift card fundraising is even more convenient when you pay online. You don't have to write checks or get cash to your organization. And you get eGift cards instantly and can add money to reload immediately.

- Instantly link your account in a matter of minutes for over 9500 banks.
- Choose to pay securely from your checking or savings account.
- Pay a small \$.15 fee on each transaction.

Learn more about the [security of online payments](#).

Reminder: credit card payments
You always have the option to pay with a credit card at checkout too. There is a 2.6% fee on each transaction when you pay with a credit card.

Whether you choose to pay with your bank account or credit card, make sure to always have enough funds available at time of purchase or you may incur unnecessary fees.

Instantly Link a Bank Account

Easily link a checking or savings account by searching for and selecting your bank from a list. Then, enter your online banking credentials, choose which account you'd like to link, and create a PIN.

I have read and agree to the [terms and conditions](#) and [privacy policy](#).

YES AND I AGREE

Manually Enter Account Numbers

Enter your banking information to enroll. We'll add two small deposits (ex: \$0.52) to your account, which you'll need to verify, then create your PIN. Depending on your bank, this process will take 1 to 2 days to complete.

I have read and agree to the [terms and conditions](#) and [privacy policy](#).

YES AND I AGREE

This process is a little involved. I wasn't able to link with my username (Instant choice) so I don't have those steps.

Scrip has a small processing fee for ACH withdrawals (\$.15) and larger (2.6%) if you want to use a credit card. MFC can put in large orders for families if you want to pay us directly too so it's really free for you!

Going through this way you can add any bank and don't need to give your login information. The next steps go into detail for this.

Your information should match your account or I'm guessing it will be rejected.

The screenshot shows the ShopWithScrip website interface. At the top, the navigation bar includes "Browse", "Express Order", "Bonus Rebates", and "Shopping Lists". The main content area displays "Filter Results: 645 items found" with a grid of retailer logos including Amazon.com, Starbucks, Walmart, The Home Depot, Best Buy, Speedway, Target, and Bath Body Works. A callout box on the right contains the following text:

With no filter you have 645 merchants to choose from! If you don't see a local business on here Scrip has a way to add them. Let me know and I can go through that process so you can shop where you want!

The browser's address bar shows the URL <https://shop.shopwithscrip.com/Shop/Product/Browse>. The Windows taskbar at the bottom shows the search bar, system tray with 100% battery, 26°F Sunny, and the date 3/3/2022 at 10:46 AM.
