

SUICIDE, LET'S TALK ABOUT IT

HOSTED BY MARLA GODETTE

Not talking about it does not make it go away. Suicide is the **THIRD** leading cause of death for those ages 10-29.

Join this interactive class to learn risk factors, warning signs, and how to ask the question "Are you going to kill yourself?".

Question Persuade Refer (QPR) gives you language to use with those you know and how to assist them in getting the help they desperately need.
