 2. 3. No attempt has been made or will be made by the offeror to induce any other concern to submit or not to submit an offer for the purpose of restricting competition.
- B. Each signature on the offer is considered to be a certification by the signatory that the signatory:

7. The certification in paragraph (1) of this provision is a material representation of fact upon which reliance was placed when making award. Disclosure of Conflicts of Interest or Unfair Competitive Advantage

1. You certify that, after reasonable inquiry, to the best of your knowledge and belief:
 - a. Your Offer identifies any services that relate to either this solicitation or the work and that have already been performed by you, a proposed subcontractor, or an affiliated business of consultant of either; and
 - b. There are no relevant facts or circumstances that may give rise to an actual or potential organizational conflict of interest, as defined in S.C. Code Ann. Reg. 19-445.2127, or that your Offer identifies and explains any unfair competitive advantage you may have in competing for the proposed contract and any actual or potential conflicts of interest that may arise from your participation in this competition or your receipt of an award.
2. If You, a proposed subcontractor, or an affiliated business or consultant of either, have an unfair competitive advantage or an actual or potential conflict of interest, We may withhold award. Before withholding award on these grounds, We will notify you to respond. We may consider efforts to avoid or mitigate such concerns, including restrictions on future activities.
3. The certification in paragraph (1) of this provision is a material representation of fact upon which We will rely when considering Your Offer or award.

Disclosure of Your Bid/Proposal & Submitting Confidential Data

1. According to Section 11-35-410, any person submitting a document in response or with regard to any solicitation or other request must “comply with instructions provided in the solicitation for making information exempt from public disclosure. Information not marked as required by the applicable instructions may be disclosed to the public.” If you identify your entire response as exempt from public disclosure, or if you do not submit a redacted copy as required, PDRTA may, in its sole discretion, determine Your Bid or Proposal nonresponsive and ineligible for award.
2. By submitting a response to this solicitation or request, Offeror:
 - a. Agrees to the public disclosure of every page, or portion thereof, of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, and documents submitted during negotiations), unless the page, or portion thereof, was redacted and conspicuously marked “Trade Secret” or “Confidential” or “Protected,”
 - b. Agrees that any information not redacted and marked, as required by these bidding instruction, as a “Trade Secret” is not a trade secret as defined by the Trade Secrets Act, and
 - c. Agrees that, notwithstanding any claims or markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as the final contract amount, are subject to public disclosure.
3. If Your Offer includes any information that you claim is exempt from public disclosure, you must submit one complete copy of your offer from which you have removed or concealed such information (the redacted copy). Except for the information removed or concealed, the redacted copy must be identical to your original offer.
4. Do not mark your entire response (bid, proposal, quote, etc.) as confidential, trade secret, or protected. If only portions of a page are subject to some protection, do not redact the entire page. The redacted copy must reflect the same pagination at the original and show the empty space from which information was redacted. The Procurement Officer must be able to view, search, copy, and print the redacted copy without a password. If your response, or any part thereof, is improperly marked confidential or trade secret or protected, PDRTA may, in its sole discretion, determine it nonresponsive.
5. On the redacted copy, you must identify the basis of your claim by marking each redaction as follows:
 - a. You must separately mark with the word “CONFIDENTIAL” every page, or portion thereof that you redacted and claim as exempt from public disclosure because it is either
 - i. A trade secret as defined in Section 30-4-40 (a)(1) of the Freedom of Information Act, or
 - ii. Privileged and confidential, as that phrase is used in Section 11-35-410.
 - b. You must separately mark with the words “TRADE SECRET” every page, or portion thereof, that you redacted and claim as exempt from public disclosure as a trade secret pursuant to Section 39-8-20 of the Trade Secrets Act.
 - c. You must separately mark with the word “PROTECTED” every page, or portion thereof, that you redacted and claim as exempt from public disclosure pursuant to Section 11-35-1810.

6. All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text.
7. In determining whether to release documents, PDRTA will detrimentally rely on your redaction and marking of documents, as required by these bidding instructions, as being either "Confidential" or "Trade Secret" or "Protected." By submitting a response, you agree to defend, indemnify, and hold harmless PDRTA, its officers and employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from withholding information that you have redacted or marked as "Confidential" or "Trade Secret" or "Protected."

Deadline for Submission of Offer

Any offer received after the Procurement Officer of the Using Governmental Unit or his designee has declared that the time set for Offers due has arrived, shall be rejected unless the offer has been delivered to the designated purchasing office or the governmental body's mail room which services that purchasing office prior to the deadline.

Drug Free Workplace Certification

By submitting an Offer, Contractor certifies that, if awarded a contract, Contractor will comply with all applicable provisions of The Drug-free Workplace Act, Title 44, Chapter 107 of the South Carolina Code of Laws, as amended.

Duty to Inquire

Offeror, by submitting an Offer, represents that it has read and understands the Solicitation and that its Offer is made in compliance with the Solicitation. Offerors are expected to examine the Solicitation thoroughly and should request an explanation of any ambiguities, discrepancies, errors, omissions, or conflicting statements in the Solicitation. Failure to do so will be at the Offeror's risk. All ambiguities, discrepancies, errors, omissions, or conflicting statements in the Solicitation shall be interpreted to require the better quality or greater quantity of work and/or materials, unless otherwise directed by amendment. Offeror assumes responsibility for any patent ambiguity in the Solicitation that Offeror does not bring to the Using Governmental Unit's attention. See clause entitled "Questions from Offerors."

Ethics Certificate

By submitting an Offer, the Offeror certifies that the Offeror has and will comply with, and has not, and will not, induce a person to violate Title 8, Chapter 13 of the South Carolina Code of Laws, as amended (ethics act). The following statutes require special attention: Section 8-13-700, regarding use of official position for financial gain; Section 8-13-705, regarding gifts to influence action of public official; Section 8-13-720, regarding offering money for advice or assistance of public official; Sections 8-13-755 and 8-13-760, regarding restrictions on employment by former public official; Section 8-13-775, prohibiting public officials with economic interests from acting on contracts; Section 8-13-790, regarding recovery of kickbacks; Section 8-13-1150, regarding statements to be filed by consultants; and Section 8-13-1342, regarding restrictions on contributions by contractor to candidate who participated in awarding of contract. The Using Governmental Entity may rescind any contract and recover all amounts expended as a result of any action taken in violation of this provision. If contractor participates, directly or indirectly, in the evaluation or award of public contracts, including without limitation, change orders or task orders regarding a public contract, contractor shall, if required by law to file such a statement, provide the statement required by Section 8-13-1150 to the procurement office at the same time the law requires the statement to be filed.

Multiple Offers

Offerors may submit more than one Offer, provided that each Offer has significant differences other than price. Each separate Offer must satisfy all Solicitation requirements. If this solicitation is an Invitation for Bids, each separate Offer must be submitted or uploaded as a separate document and must clearly indicate that it is a separate offer. If this solicitation is a Request for Proposals, multiple offers may be submitted or uploaded as one document, provided that you clearly differentiate between each offer and you submit a separate cost proposal for each offer, if applicable.

Omit Taxes from Price

Do not include any sales or use taxes in Your price that PDRTA may be required to pay.

Open Trade Representation

By submitting an Offer, Offeror represents that Offeror is not currently engaged in the boycott of a person or an entity based in or doing business with a jurisdiction with whom South Carolina can enjoy open trade, as defined in SC Code Section 11-35-5300.

PDRTA Office Closings

If an emergency or unanticipated event interrupts normal business processes so that offers cannot be received at the PDRTA office designated for receipt of bids by the exact time specified in the solicitation, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first business day on which normal business processes resume. In lieu of an automatic extension, an Amendment may be issued to reschedule bid opening. If PDRTA offices or the pre-bid location is closed at the time a pre-bid or pre-proposal conference is scheduled, an Amendment may be issued to reschedule the conference.

Pricing

1. Fixed Price: If a fixed price is required, award will not be made on an Offer if the total possible price to the Using Governmental Unit cannot be determined.
2. Price Reasonableness: Any offer may be rejected if the Procurement Officer determines in writing that it is unreasonable as to price.
3. Unbalanced Pricing: The Using Governmental Unit will analyze all offers with separately priced line items or subline line items to determine if the prices are unbalanced. Unbalanced pricing exists when, despite an acceptable total evaluated price, the price of one or more line items is significantly over or understated. The responsible Procurement Officer may reject an offer as unreasonably priced if she determines that unbalanced pricing increases performance risk (e.g., it is so unbalanced as to be tantamount to allowing an advance payment) or could result in payment of unreasonably high prices.

Protests

1. Submittal Procedures
 - a. An interested party wishing to protest a matter involving a proposed procurement or contract award shall file a written submission with the Procurement Manager by certified mail. Electronic submission of protests is not acceptable. The protest shall include, at a minimum:
 - i. The name and address of the protesting party and its relationship to the procurement sufficient to establish that the protest is being filed by an interested party
 - ii. Identity of the contract person for the protestor, including name, title, address, telephone, and email address. If the contact point is a third party representing the protestor, the same information must be provided, plus a statement defining the relationship between the protestor and the third party
 - iii. Identification of the procurement (solicitation, contract #, project description)
 - iv. A description of the nature of the protest, referencing the portion(s) of the solicitation involved
 - v. Identification of the provision(s) of any law, regulation, or other governance upon which the protest is based
 - vi. A statement of the specific relief requested
 - vii. Any documents relevant to the protest
 - b. The Procurement Manager shall be responsible for overseeing the decision process. The Procurement Manager shall ensure that all relevant parties within PDRTA have been involved in the decision-making process. PDRTA may decide a protest solely upon the written submission. The protest submission should, therefore, include all materials necessary to support the protestor's position. Additional or supplemental materials may only be submitted at the request of, or with the permission of, the Purchasing Manager.
2. Pre-Bid and Pre-Award Protest Procedures
 - a. A protest related to the technical scope or specification, terms, conditions, or form of a solicitation must be received no later than 15 business days prior to the date established for opening bids or receipt of proposals; if the protest addresses an amendment to the solicitation, it must be received no later than ten (10) business days prior to the date established for opening bids or receipt of proposals or five (5) business days after the date of issuance of the amendment, whichever is later; in no event may a protest of this nature be submitted after bids or proposals are received. The protest must conform in all respects to the requirements set forth above.

- b. Within 15 business days of the receipt of such a written protest, the Procurement Manager shall hold a hearing on the protest. Protests will be considered and either denied or sustained, in part or in whole, by the Procurement Manager in writing. The Procurement Manager's decision shall be final.
 - c. Should the protest be sustained in whole or in part, the Procurement Manager may either (1) amend the solicitation to correct the document or process; or (2) cancel the solicitation in its entirety. If the solicitation is amended, the time for receipt of bids or proposals may be equitably extended to permit all participants to revise their bids or proposals to reflect the decision if deemed necessary. If the protest is denied, the solicitation shall proceed as if the protest had not been filed, unless the protestor appeals the decision of the Purchasing Manager, as defined below.
3. Post-Award Protest Procedures
- a. All bidders/proposers will be notified of an intent of award. This notice will be transmitted to each proposer at the email address contained in its proposal form and shall be posted on the procurement page of PDRTA's website. Any proposer whose proposal is valid at the time of the determination may protest the intent of award on one or more of the following grounds:
 - i. That the recommended awardee does not meet the requirements of the solicitation
 - ii. That the evaluation process conducted by PDRTA is improper, illegal, or the decision of the intent of award is arbitrary and capricious.
 - b. The protest must conform in all respects to the requirements set forth above.
 - c. The protest must be submitted to the Procurement Manager no later than ten (10) business days of the purchase being awarded. A written decision stating the grounds for allowing or denying the protest will be mailed to the protestor at the address provided or otherwise furnished. The Procurement Manager's decision shall be final.
4. Evaluation of Protests
- a. A protest decision will be submitted to the protestor within ten (10) business days of receipt of the protest. The Procurement Manager may extend the response period if additional time is required to gather and evaluate information necessary for the decision or for other good cause.
 - b. Upon receipt of a protest, the Procurement Manager shall notify parties involved in the procurement. The Procurement Manager may request additional written information from the protestor or other parties, as necessary, to determine the validity of the protest. A hearing may be held with the parties involved in the procurement, Executive Director, or Board of Directors as deemed necessary.
 - c. The Procurement Manager shall prepare a decision on the protest. The decision will contain four parts:
 - i. Summary: Describes briefly the protesting party, the solicitation involved, the issue(s) raised, and the decision.
 - ii. Background: Describes in more detail the history of the solicitation and the procurement events leading to the protest, the date the protest was received, and the process by which it was evaluated.
 - iii. Discussion: Identifies the issue or issues raised by the protestor, and the factors considered in reaching a decision, and the rationale for the decision.
 - iv. Determination: States the decision and any remedy or subsequent action resulting from it.
 - d. Decisions shall be signed and issued by the Procurement Manager. For procurements greater than \$100,000, the decision shall also be signed by the Executive Director. The decision shall be issued to the protestor.
 - e. In the event of a timely protest, PDRTA shall not proceed further with the award of the contract until after the protest period has ended and the final decision shared with the protestor.
5. Appeals
- a. Decisions of the Procurement Manager or Executive Director may be appealed to the Board of Directors by the protestor within five (5) business days after the decision is issued to the protestor. The appeal shall be in writing, addressed to the Executive Director and shall state the basis for the appeal. Requests for an appeal to the Board of Directors shall be held during the next occurring regularly scheduled meeting of the Board of Directors, or such other time as may be mutually agreeable to the parties. At the meeting, the aggrieved party and the Executive Director shall have an opportunity to present their findings to the Board of Directors. Upon receipt of the findings of

both parties, the Board of Directors shall make a final determination. The decision of the Board of Directors shall be final and conclusive.

6. PDRTA reserves the right to seek legal counsel for any protest, resolutions, decisions and appeals.

Prohibited Communications and Donations

Violation of these restrictions may result in disqualification of your offer, suspension or debarment, and may constitute a violation of law.

1. During the period between publication of the solicitation and final award, you must not communicate, directly or indirectly, with the Using Governmental Unit or its employees, agents, or officials regarding any aspect of this procurement activity, unless otherwise approved in writing by the Procurement Officer. All communications must be solely with the Procurement Officer.
2. You are advised to familiarize yourself with Regulation 19-445.2465, which restricts donations to a governmental entity with whom you have or seek to have a contract. You represent that your Offer discloses any gifts made, directly or through an intermediary, by you or your named subcontractors to or for the benefit of the Using Governmental Unit during the period beginning eighteen months prior to the Opening Date.

Public Opening

Offers will be publicly opened at the date/time and at the location identified on the Cover Page, or last Amendment, whichever is applicable.

1. Discounts for prompt payment will not be considered in the evaluation of offers. However, any offered discount will form a part of the award, and will be taken if payment is made within the discount period indicated in the offer by the offeror. As an alternative to offering a discount for prompt payment in conjunction with the offer, offerors awarded contracts may include discounts for prompt payment on individual invoices.
2. In connection with any discount offered for prompt payment, time shall be computed from the date of the invoice. If the contractor has not placed a date on the invoice, the due date shall be calculated from the date the designated billing office received a proper invoice, provided PDRTA annotate such invoice with the date of receipt at the time of receipt. For the purpose of computing the discount earned, payment shall be considered to have been made on the date that appears on the payment check or, for an electronic funds transfer, the specified payment date. When the discount date falls on a Saturday, Sunday, or legal holiday when PDRTA is closed and businesses are not expected to be conducted, payment may be made on the following business day.

All disputes, claims, or controversies relating to the Agreement shall be resolved exclusively by the appropriate Purchasing Manager, or in the absence of jurisdiction, only in the Court of Common Pleas for, or a federal court located in, Florence County, State of South Carolina. As used in this paragraph, the term "Agreement" means any transaction or agreement arising out of, relating to, or contemplated by the solicitation.
2. Service of Process. Contractor consents that any papers, notices, or process necessary or proper for the initiation or continuation of any disputes, claims, or controversies relating to the Agreement; for any court action in connection therewith; or for the entry of judgment on any award made, may be served on Contractor by certified mail (return receipt requested) addressed to Contractor at the address provided as the Notice Address on Page Two or by personal service or by any other manner that is permitted by law, in

Organizational Conflict of Interest

1. The Contractor agrees to immediately advise the procurement officer if an actual or potential organizational conflict of interest is discovered after award, and to make a full written disclosure promptly thereafter to the procurement officer. This disclosure shall include a description of actions which the Contractor has taken or proposes to take, after consultation with the procurement officer, to avoid, mitigate, or neutralize the actual or potential conflict.
2. PDRTA may terminate this contract for convenience, in whole or in part, if it deems such termination is necessary to avoid an organizational conflict of interest. Contractor's failure to include an appropriate termination for convenience clause in any subcontract shall not increase the obligation of PDRTA beyond what it would have been if the subcontract had contained such a clause.
3. The disclosure required by paragraph (1) of this provision is a material obligation of the contract. If the Contractor knew or should have known of an organizational conflict of interest prior to award, or discovers

an actual or potential conflict after award, and does not disclose, or misrepresents, relevant information to the Procurement Officer, PDRTA may terminate the contract for default.

Payment & Interest

3. Amounts due to PDRTA shall bear interest at the rate of interest established by the South Carolina Comptroller General pursuant to Section 11-35-45 ("an amount not to exceed fifteen percent each year"), as amended, unless otherwise required by Section 29-6-30.
4. Any other basis for interest, including but not limited to general (pre- and post-judgment) or specific interest statutes, including S.C. Code Ann. Section 34-31-20, are expressly waived by both parties. If a court, despite the agreement and waiver, requires that interest be paid on any debt by either party other than as provided by items (2) and (3) above, the parties further agree that the applicable interest rate for any given calendar year shall be the lowest prime rate as listed in the first edition of the Wall Street Journal published each year, applied as simple interest without compounding.
5. PDRTA shall have all of its common law, equitable and statutory rights of set-off.

Contractor will not be reimbursed any costs amortized beyond the initial contract term.

Third Party Beneficiary

This Contract is made solely and specifically among and for the benefit of the parties hereto, and their respective successors and assigns, and no other person will have any rights, interest, or claims hereunder or be entitled to any benefits under or on accounts of this Contract as a third party beneficiary or otherwise.

Waiver

PDRTA does not waive any prior or subsequent breach of the terms of the Contract by making payments on the Contract, by failing to terminate the Contract for lack of performance, or by failing to strictly or promptly insist upon any term of the Contract. Only the procurement officer has actual authority to waive any of PDRTA's rights under this contract. Any waiver must be in writing.

Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this contract. Failure of the parties to agree to an adjustment shall not excuse the contractor from proceeding with the contract as changed, provided that PDRTA promptly and duly makes such provisional adjustments in payment or time for

performance as may be reasonable. By proceeding with the work, the contractor shall not be deemed to have prejudiced any claim for additional compensation, or an extension of time for completion.

Within 30 days after receipt of a written contract modification under paragraph (1) of this clause, unless such period is extended by the procurement officer in writing, the contractor shall file notice of intent to assert a claim for an adjustment. Contractor's Use of PDRTA Property

Upon termination of the contract for any reason, PDRTA shall have the right, upon demand, to obtain access to, current copies of all PDRTA application programs and necessary documentation, all data, files intermediate materials and supplies held by the Contractor. Default

1. (A) PDRTA may, subject to paragraphs (3) and (4) of this clause, by written notice of default to the Contractor, terminate this contract in whole or in part if the Contractor fails to:
 - a. Deliver the supplies or to perform the services within the time specified in this contract or an extension;
 - b. Make progress, so as to endanger performance of this contract (but see paragraph (1)(B) of this clause); or
 - c. Perform any of the other material provisions of this contract (but see paragraph (1)(B) of this clause).(B) PDRTA's right to terminate this contract under subdivisions (1)(A)(b) and (A)(c) of this clause, may be exercised if the Contractor does not cure such failure within 10 days (or more if authorized in writing by the procurement officer) after receipt of the notice from the procurement officer specifying the failure.
2. If PDRTA terminates this contract in whole or in part, it may acquire, under the terms and in the manner the procurement officer considers appropriate, supplies or services similar to those terminated, and the Contractor will be liable to PDRTA for any excess costs for those supplies or services. However, the Contractor shall continue the work not terminated.
3. Except for defaults of subcontractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include: (1) acts of God or of the public enemy, (2) acts of the State in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted

supplies or services were obtainable from other sources in sufficient time for the Contractor to meet the required delivery schedule.

5. 7. If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of PDRTA, be the same as if the termination had been issued for the convenience of PDRTA. If, in the foregoing circumstances, this contract does not contain a clause providing for termination for convenience of PDRTA, the contract shall be adjusted to compensate for such termination and the contract modified accordingly subject to the contractor’s rights under the Disputes clause.
8. The rights and remedies of PDRTA in this clause are in addition to any other rights and remedies provided by law or under this contract.

Indemnification - Third Party Claims – General

Notwithstanding any limitation in this agreement, and to the fullest extent permitted by law, Contractor shall defend and hold harmless Indemnitees for and against any and all suits or claims of any character (and all related damages, settlement payments, attorneys’ fees, costs, expenses, losses or liabilities) by a third party which are attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property arising out of or in

connection with the goods or services acquired hereunder or caused in whole or in part by any act or omission of contractor, its subcontractor, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnatee, and whether or not such claims are made by a third party or an Indemnatee; however, if an Indemnatee's negligent act or omission is subsequently determined to be the sole proximate cause of a suit or claim, the Indemnatee shall not be entitled to indemnification hereunder. Contractor shall be given timely written notice of any suit or claim. Contractor's obligations hereunder are in no way limited by any protection afforded under workers' compensation acts, disability benefits acts, or other employee benefit acts. This clause shall not negate, abridge, or reduce any other rights or obligations of indemnity which would otherwise exist. The obligations of this paragraph shall survive termination, cancellation, or expiration of the parties' agreement. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance. As used in this clause, "Indemnitees" means PDRTA, its Board of Directors, and all their respective officers, agents, and employees.

Indemnification – Third Party Claims – Disclosure of Information

1. Without limitation, Contractor shall defend and hold harmless Indemnitees from and against any and all suits, claims, investigations, or fines (hereinafter "action") of any character (and all related damages, settlement payments, attorneys' fees, costs, expenses, losses or liabilities) by a third party which arise out of or in connection with a disclosure of government information (as defined in the clause titled "Information Security – Definitions") caused in whole or in part by any act or omission of contractor, its subcontractors at any tier, their employees, workmen, servants, agents or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnatee, and whether or not such action is brought by a third party or an Indemnatee, but only if the act or omission constituted a failure to perform some obligation imposed by the contract or the law.
2. Indemnatee must notify contractor in writing within a reasonable period of time after Indemnatee first receives written notice of any action. Indemnatee's failure to provide or delay in providing such notice will relieve contractor of its obligations under this clause only if and to the extent that such delay or failure materially prejudices contractor's ability to defend such action. Indemnatee must reasonably cooperate with contractor's defense of such actions (such cooperation does not require and is without waiver of an Indemnitees attorney/client, work product, or other privilege) and, subject to Title 1, Chapter 7 of the South Carolina Code of Laws, allow contractor sole control of the defense, so long as the defense is diligently and capably prosecuted. Indemnatee may participate in contractor's defense of any action at its own expense. Contractor may not, without Indemnatee's prior written consent, settle, compromise, or consent to the entry of any judgement in any such commenced or threatened action unless such settlement, compromise, or consent (i) include an unconditional release of Indemnatee from all liability related to such commenced or threatened action, and (ii) is solely monetary in nature and does not include a statement as to, or an admission of fault, culpability or failure to act by or on behalf of, an Indemnatee or otherwise adversely affect an Indemnatee. Indemnatee's consent is necessary for any settlement that requires Indemnatee to part with any right or make any payment or subjects Indemnatee to an injunction.
3. Notwithstanding any other provision, contractor's obligations pursuant to this clause are without any limitation whatsoever. Contractor's obligations under this clause shall survive the termination, cancellation, rejection, or expiration of the contract. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance.
4. "Indemnatee" means PDRTA, its Board of Directors, and all their respective officers, agents, and employees.

Indemnification – Intellectual Property

1. Without limitation and notwithstanding any provision in this agreement, Contractor shall, upon receipt of notification, defend and indemnify PDRTA, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees against all actions, proceedings or claims of any nature (and all damages, settlement payments, attorneys' fees (including inside counsel), costs, expenses, losses or liabilities attributable thereto) by any third party asserting or involving an IP right related to an acquired item. PDRTA shall allow Contractor to defend such claim so long as the defense is diligently and capably prosecuted. PDRTA shall allow Contractor to settle such claim so long as:
 - a. All settlement payments are made by Contractor, and
 - b. The settlement imposes no non-monetary obligation upon PDRTA. PDRTA shall reasonably cooperate with Contractor's defense of such claim.
2. In the event an injunction or order shall be obtained against PDRTA's use of any acquired item, or if in Contractor's opinion, the acquired item is likely to become the subject of a claim of infringement or violation of an IP right, Contractor shall, without in any way limiting the foregoing, and at its expense, either:
 - a. Procure for PDRTA the right to continue to use, or have used, the acquired item, or
 - b. Replace or modify the acquired item so that it becomes non-infringing but only if the modification or replacement does not adversely affect the specifications for the acquired item or its use by PDRTA.

If neither (a) nor (b) above is practical, PDRTA may require that Contractor remove the acquired item from PDRTA, refund to PDRTA any charges paid by PDRTA therefor, and take all steps necessary to have PDRTA released from further liability.
3. Contractor's obligations under this paragraph do not apply to a claim to the extent
 - a. That the claim is caused by Contractor's compliance with specifications furnished by PDRTA unless Contractor knew its compliance with PDRTA's specifications would infringe an IP right, or
 - b. That the claim is caused by Contractor's compliance with specifications furnished by PDRTA if PDRTA knowingly relied on a third party's IP right to develop the specifications provided to Contractor and failed to identify such product to Contractor.
4. As used in this paragraph, these terms are defined as follows: "IP right(s)" means a patent, copyright, trademark, trade secret, or any other proprietary right. "Acquired item(s)" means the rights, goods, or services furnished under this agreement. "Specification(s)" means a detailed, exact statement of particulars such as a statement prescribing materials, dimensions, and quality of work.
5. Contractor's obligations under this clause shall survive the termination, cancellation, rejection, or expiration of this Agreement.

Information Security – Definitions

The following definitions are used in those clauses that cross reference this clause.

COMPROMISE means disclosure of information to unauthorized persons, or a violation of the security policy of a system in which unauthorized intentional or unintentional disclosure, modification, destruction, or loss of an object may have occurred. Without limitation, the term "compromise" includes copying the data through covert network channels, or copying the data to unauthorized media, or disclosure of information in violation of any obligation imposed by this contract.

DATA means a subset of information in an electronic format that allows it to be retrieved and transmitted.

GOVERNMENT INFORMATION means information (i) provided to Contractor by, or generated by Contractor for, the using governmental unit, or (ii) acquired or accessed by Contractor as a result of performing the Work. Without limiting the foregoing, government information includes any information that Contractor acquires or accesses by software or web-based services, which includes, without limitation, any metadata or location data. Government information excludes unrestricted information.

INFORMATION means any communication or representation of knowledge such as facts, statistics, or opinions, in any medium or form, including textual, numerical, graphic, cartographic, narrative, or audiovisual.

INFORMATION SYSTEM means a discrete set of information resources organized for the collection, processing, maintenance, use, sharing, dissemination, or disposition of information.

PUBLIC INFORMATION means any specific information, regardless of form or format, that PDRTA has actively and intentionally disclosed, disseminated, or made available to the public. Information is not public information solely because it may be subject to inspection pursuant to an unfulfilled public records request.

SOFTWARE means any computer program accessed or used by the using governmental unit or a third party pursuant to or as a result of this contract.

THIRD PARTY means any person or entity other than the using governmental unit, the contractor, or any subcontractors at any tier.

UNRESTRICTED INFORMATION means (1) public information acquired other than through performance of the work, (2) information acquired by Contractor prior to contract formation, (3) information incidental to your contract administration, such as financial, administrative, cost or pricing, or management information, and (4) any ideas, concepts, know-how, methodologies, processes, technologies, techniques which contractor develops or learns in connection with Contractor's performance of the work.

WEB-BASED SERVICE means a service accessed over the internet and acquired, accessed, or used by the using governmental unit or a third party pursuant to or as a result of this contract, including without limitation, cloud services, software-as-a-service, and hosted computer services.

Information Use and Disclosure

Except to the extent necessary for performance of the work, citizens should not be required to share information with those engaged by PDRTA in order to access services provided by PDRTA and such information should be used by those engaged by PDRTA only to the extent necessary to perform the work required; accordingly, this clause addresses basic requirements for the contractor's use and disclosure of government information, which expressly includes, but is not limited to, information provided by or obtained from the citizens. Anonymous information does not resolve the foregoing concern. This clause should be broadly interpreted to effectuate this intent. Every obligation in this clause is material. Absent express reference to this clause, this clause supersedes any other clause to the extent of any inconsistency unless and to the extent the other clause provides greater protection for PDRTA information.

1. Definitions. The terms used in this clause shall have the same meaning as the terms defined in the clause titled "Information Security – Definitions."
2. Legal Mandates. Contractor shall be permitted to use, disclose, or retain PDRTA information to the limited extent necessary to comply with any requirement imposed on contractor by law. If it is necessary for contractor to use, disclose, or retain PDRTA information in order to comply with a law, contractor shall provide using governmental unit with written notice, including a description of the circumstances and applicable law, in advance of such use, disclosure or retention except to the extent expressly prohibited by law.
3. Flow Down. Any reference in this clause to contractor also includes any subcontractor at any tier. Contractor is responsible for, and shall impose by agreement the requirements of this clause on, any other person or entity that contractor authorizes to take action related to PDRTA information.
4. Collecting Information. Contractor must gather and maintain PDRTA information only to the minimum extent necessary to accomplish the work.
5. Rights, Disclosure, and Use. Except as otherwise expressly provided in this solicitation, Contractor agrees NOT to either (1) use or disclose PDRTA information, or (2) retain PDRTA information after termination or expiration of this contract. Contractor acquires no rights in any PDRTA information except the limited rights to use, disclose and retain PDRTA information in accordance with the terms of this solicitation. To the extent reasonably necessary to perform the work, Contractor may: (i) use (including access, process,

transmit, and store) and maintain PDRTA information itself; and (ii) disclose PDRTA information to persons having a need-to-know (e.g., subcontractors). Before disclosing PDRTA information to a subcontractor or third party, Contractor shall give the using governmental unit detailed written notice of both the reason for disclosure and the identity and location of the recipient. The notice shall be provided no later than fifteen (15) business days in advance of the disclosure.

6. Return. Notwithstanding the using governmental unit's failure to perform or the pendency of a dispute, Contractor agrees to promptly deliver to the using governmental unit (or destroy, at the using governmental unit's option) all PDRTA information in its possession as and upon written request of using governmental unit (provided that, if the contract has not expired or been terminated, Contractor shall be excused from the performance of any work reasonably dependent on Contractor's further access to such PDRTA information).
7. Privacy Policy & Applicable Laws. Without limiting any other legal or contractual obligations imposed by this contract or the law, Contractor shall
 - a. Comply with its own privacy policies and written privacy statements relevant to the work, and
 - b. Comply with
 - i. All laws applicable to contractor regarding PDRTA information, and
 - ii. All laws and standards identified in the clause, if included, entitled Information Use and Disclosure – Standards.
8. Actions Following Disclosure. Immediately upon discovery of a compromise or improper use of PDRTA information, contractor shall take such action as may be necessary to preserve forensic evidence and eliminate the cause of the compromise or improper use. As soon as practicable, but no later than twenty-four hours after discovery, contractor shall notify using governmental unit of the compromise or improper use, including a description of the circumstances of the use or compromise. As soon as practicable after discovery, contractor shall undertake a thorough forensic investigation of any compromise or improper use and provide the using governmental unit to fully understand the nature and extent of the compromise or improper use. With regard to any compromise or improper use of government information, contractor shall:
 - a. Provide any notification to third parties legally required to be provided such notice by contractor, and if not (e.g., if legally required of the using governmental unit for the cost of providing such notifications;
 - b. Pay all costs and expenses for at least two years of identity theft monitoring services (including without limitation, credit monitoring) and identity theft restoration services for any such affected individuals receiving notice where such services are appropriate given the circumstances of the incident and the nature of the information compromised;
 - c. Undertake any other measures that are customary and reasonable for an entity to take when experiencing a similar disclosure,
 - d. Pay any related fines or penalties imposed on the using governmental unit, and
 - e. Reimburse the using governmental unit all costs reasonably incurred for communications and public relations services involved in responding to the compromise or improper use.Notwithstanding any other provision, contractor's obligations pursuant to this item (8) are without limitation.
9. Survival & Remedy. All the obligations imposed by this paragraph are material. The obligations of this section shall survive termination or expiration of the contract. Without limiting any rights the using governmental unit may have, and notwithstanding any other term of this contract, contractor agrees that using governmental unit may have no adequate remedy at law for a breach of contractor's obligations under this clause and therefore the using governmental unit shall be entitled to pursue equitable remedies in the event of a breach of this clause.

Licenses and Permits

During the term of the contract, the Contractor shall be responsible for obtaining, and maintaining in good standing, all licenses (including professional licenses, if any), permits, inspections, and related fees for each or any such licenses, permits, and/or inspections required by PDRTA, county, city, or other government entity or unit to accomplish the work specified in this solicitation and contract.

Ownership of Data & Materials

All data, material, and documentation prepared for PDRTA pursuant to this contract shall belong exclusively to PDRTA.

Price Adjustments

1. Method of Adjustment. Any adjustment in the contract price made pursuant to a clause in this contract shall be consistent with this Contract and shall be arrived at through whichever one of the following ways is the most valid approximation of the actual cost to the Contractor (including profit, if otherwise allowed):
 - a. By agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;
 - b. By unit prices specified in the Contract or subsequently agreed upon;
 - c. By the costs attributable to the event or situation covered by the relevant clause, including profit if otherwise allowed, all as specified in the Contract; or subsequently agreed upon;

Code of Laws.
2. Submission of Price or Cost Data. Upon request of the procurement officer, the contractor shall provide reasonably available factual information to substantiate that the price or cost offered, for any price adjustments is reasonable, consistent with the provisions of Section 11-35-1830.

Price Adjustment – Limited – After Initial Term Only

Upon approval of the procurement officer, prices may be adjusted for any renewal term. Prices shall not be increased during the initial term. Any request for a price increase must be received by the procurement officer at least ninety (90) days prior to the expiration of the applicable term and must be accompanied by sufficient documentation to justify the increase. If approved, a price increase becomes effective starting with the term beginning after approval. A price increase must be executed as a change order. Contractor may terminate this contract at the end of the then current term if a price increase request is denied. Notice of termination pursuant to this paragraph must be received by the procurement officer no later than fifteen (15) days after the procurement officer sends contractor notice rejecting the requested price increase.

Pricing Data – Audit – Inspection

[Clause included pursuant to Section 11-35-1830, -2210, & -2220]

2. **Records Retention.** You shall maintain your records for three years from the date of final payment, or longer if requested by the procurement officer. PDRTA may audit your records at reasonable times and places. As used in this subparagraph (2), the term "records" means any books or records that relate to cost or pricing data submitted pursuant to this clause. In addition to the obligation stated in this subparagraph (2), you shall retain all records and allow any audits provided for by 11-35-2220(2).
3. **Inspection.** At reasonable times, PDRTA may inspect any part of your place of business which is related to performance of the work.

5. **Subcontracts.** You shall include the above text of this clause in all of your subcontracts.
6. Nothing in this clause limits any other rights of PDRTA.

The initial term of this agreement is one (1) year from the effective date. Regardless, this contract expires no later than the last date stated on the final statement of award.

Term of Contract – Option to Renew

Regardless this contract expires no later than the last date stated on the final statement of award.

Term of Contract – Termination by Contractor

Contractor may terminate this contract at the end of the initial term, or any renewal term, by providing the procurement officer notice of its election to terminate under this clause at least thirty (30) days prior to the expiration of the then current term.

Termination for Convenience

1. **Termination.** The procurement officer may terminate this contract in whole or in part, for the convenience of PDRTA. The procurement officer shall give written notice of the termination to the contractor specifying the part of the contract terminated and when termination becomes effective.
2. **Contractor's Obligations.** The contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the contractor will stop work to the extent specified. The contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The procurement officer may direct the contractor to assign the contractor's right, title, and interest under terminated work orders or subcontracts to PDRTA. The contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.
3. **Rights to Supplies.** The procurement officer may require the contractor to transfer title and deliver to PDRTA in the manner and to the extent directed by the procurement officer: (a) any completed supplies; and (b) such partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "manufacturing material") as the contractor has specifically produced or specially acquired for the performance of the terminated part of this contract. The contractor shall, upon direction of the Procurement Officer, protect and preserve property in the possession of the contractor in which PDRTA has an interest. If the Procurement Officer does not exercise this right, the contractor shall use best efforts to sell such supplies and manufacturing materials in an accordance with the standards of Uniform Commercial Code Section 2- 706. Utilization of this Section in no way implies that PDRTA has breached the contract by exercise of the Termination for Convenience Clause.
4. **Compensation.**
 - a. The contractor shall submit a termination claim specifying the amounts due because of the termination for convenience together with cost or pricing data required by Section 11-35-1830 bearing on such a claim. If the contractor fails to file a termination claim within one year from the effective date of termination, the procurement officer may pay the contractor, if at all, an amount set in accordance with subparagraph (c) of this paragraph.
 - b. The procurement officer and the contractor may agree to a settlement and that the settlement does not exceed the total contract price plus settlement costs reduced by payments previously made by PDRTA, the proceeds of any sales of supplies and manufacturing materials under paragraph (3) of this clause, and the contract price of the work not terminated.
 - c. Absent complete agreement under subparagraph (b) of this paragraph, the procurement officer shall pay the contractor the following amounts, provided payments under this subparagraph:

 - ii. Costs reasonably incurred in performing the terminated portion of the work less amounts paid or to be paid for accepted supplies or services;

 - iv. Any other reasonable costs that have resulted from the termination. The total sum to be paid the contractor under this subparagraph shall not exceed the total contract price plus the reasonable settlement costs of the contractor reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under subparagraph (b) of this paragraph, and the contract price of work not terminated.

- d. Contractor must demonstrate any costs claimed, agreed to, or established under subparagraphs (b) and (c) of this paragraph using its standard record keeping system, provided such system is consistent with any applicable Generally Accepted Accounting Principles.
5. Contractor’s failure to include an appropriate termination for convenience clause in any subcontract shall not (i) affect PDRTA’s right to require the termination of a subcontract, or (ii) increase the obligation of PDRTA beyond what it would have been if the subcontract had contained an appropriate clause.

3. **Access to Records.** The Contractor agrees to provide sufficient access to FTA and its contractors to inspect and audit records and information related to performance of this contract in accordance with 2 CFR § 200.337.
4. **Access to the Sites of Performance.** The Contractor agrees to permit FTA and its contractor's access to the sites of performance under this contract in accordance with 2 CFR § 200.337.

Americans with Disabilities Act (ADA)

The contractor agrees to comply with all applicable requirements of section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, which prohibits discrimination on the basis of handicaps, with the Americans with Disabilities Act of 1990 (ADA), as amended, 42 U.S.C. §§ 12101 et seq., which requires that accessible facilities and services be made available to persons with disabilities, including any subsequent amendments to that Act, and with the Architectural Barriers act of 1968, as amended, 42 U.S.C. §§ 4151 et seq., which requires that buildings and public accommodations be accessible to persons with disabilities, including any subsequent amendments to that Act. In addition, the contractor agrees to comply with any and all applicable requirements issued by the FTA, DOT, DOJ, U.S. GSA, U.S. EEOC, U.S. FCC, any subsequent amendments thereto and any other nondiscrimination statute(s) that may apply to the Project.

Buy America Certification

This Contract is subject to the "Buy America" requirements of 49 United States Code (USC) §5323(j) and 49 Code of Federal Regulations (CFR) Part 661, as may be amended from time to time, and applicable federal regulations. Prospective Proposers' attention is directed to 49 CFR §661.11, "Rolling Stock Procurements." Prospective Proposers have the responsibility to comply with the cited and any governing statutes and regulations, including official interpretations. A Proposer shall submit to the Agency the appropriate Buy America certification (located in this document, page 153, CER 8.1), included in this document, with all offers on FTA-funded contracts. Proposals that are not accompanied by a properly completed Buy America certification are subject to the provisions of 49 CFR 661.13 and will be rejected as nonresponsive. The two signature blocks on the Buy America certificate are mutually exclusive. Proposers shall sign only one signature block on the certificate. Signing both signature blocks will make the Proposal nonresponsive. A false certification is a criminal act in violation of 18 USC §1001. Any party may petition the FTA to investigate a successful Proposer's compliance with the Buy America certification. The procedures are set out in 49 CFR Part 661.15. If the FTA determines that the evidence indicates noncompliance, the FTA will require the Agency to initiate an investigation. The successful Proposer has the burden of proof to establish compliance with its certification. If the successful Proposer fails to so demonstrate compliance, then the successful Proposer will be required to substitute sufficient domestic materials without revision of the original Contract terms. Failure to do so will be a breach of the Contract and may lead to the initiation of debarment proceedings under 49 CFR Part 29.

Cargo Preference

The Contractor agrees (a) to use privately owned United States-Flag commercial vessels to ship at least 50 percent of the gross tonnage (computed separately for dry bulk carriers, dry cargo liners, and tankers) involved, whenever shipping any equipment, material, or commodities pursuant to the underlying contract to the extent such vessels are available at fair and reasonable rates for United States-Flag commercial vessels; (b) to furnish within 20 working

Changes to Federal Requirements

Federal requirements that apply to the Recipient or the Award, the accompanying Underlying Agreement, and any Amendments thereto may change due to changes in federal law, regulation, other requirements, or guidance, or changes in the Recipient's Underlying Agreement including any information incorporated by reference and made part of that Underlying Agreement; and

Applicable changes to those federal requirements will apply to each Third Party Agreement and parties thereto at any tier.

Safe Operation of Motor Vehicles

- 1. Seat Belt Use – The Contractor is encouraged to adopt and promote on-the-job seat belt use policies and programs for its employees and other personnel that operate company-owned vehicles, company-rented vehicles, or personally operated vehicles. The terms “company owned” and “company-leased” refer to vehicles owned or leased either by the Contractor or GTA.
- 2. Distracted Driving – The Contractor agrees to adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers, including policies to ban text messaging while using an electronic device supplied by an employer, and driving a vehicle the driver owns or rents, a vehicle Contractor owns, leases, or rents, or a privately-owned vehicle when on official business in connection with the work performed under this agreement.

Severability

The Contractor agrees that if any provision of this agreement or any amendment thereto is determined to be invalid, then the remaining provisions thereof that conform to federal laws, regulations, requirements, and guidance will continue in effect.

Simplified Acquisition Threshold

Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. § 1908, or otherwise set by law, must address administrative, contractual, or legal remedies in instances where contractors violate or Updated November 2022 breach contract terms, and provide for such sanctions and penalties as appropriate. (Note that the simplified acquisition threshold determines the procurement procedures that must be employed pursuant to 2 C.F.R. §§ 200.317–200.327. The simplified acquisition threshold does not exempt a procurement from other eligibility or processes requirements that may apply. For example, Buy America’s eligibility and process requirements apply to any procurement in excess of \$150,000. 49 U.S.C. § 5323(j)(13).)

Solid Wastes (Recovered Materials)

A Recipient that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

Substance Abuse Requirements

The Contractor agrees to establish and implement a drug and alcohol testing program that complies with 49 C.F.R. part 655, produce any documentation necessary to establish its compliance with part 655, and permit any authorized representative of the United States Department of Transportation or its operating administrations, the State Oversight Agency, or Agency, to inspect the facilities and records associated with the implementation of the drug and alcohol testing program as required under 49 C.F.R. part 655 and review the testing process. The Contractor agrees further to certify annually its compliance with part 655 and to submit the Management Information System (MIS) reports to the Agency.

Termination

Termination Applicability – All Contracts over \$10,000, except contracts with nonprofit organizations and institutions of higher learning, where the threshold is \$100,000.

1. Termination for Convenience (General Provision) the recipient may terminate this contract, in whole or in part, at any time by written notice to the contractor when it is in the recipient's best interest. The contractor shall be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination. Contractor shall promptly submit its termination claim to the recipient. If the contractor is in possession of any of the recipient's property, the contractor shall account for same, and dispose of it as the recipient directs.
2. Termination for Default [Breach or Cause] (General Provision) If contractor does not deliver items in accordance with the contract delivery schedule, or, if the contract is for services, and contractor fails to perform in the manner called for in the contract, or if contractor fails to comply with any other provisions of the contract, the recipient may terminate this contract for default. Termination shall be effective by serving a notice of termination to contractor setting forth the manner in which contractor is in default. The contractor shall only be paid the contract price for supplies delivered and accepted, or for services performed in accordance with the manner of performance set forth in the contract. If it is later determined by the recipient that contractor had an excusable reason for not performing, such as a strike, fire, or flood, events which are not the fault of or are beyond the control of contractor, the recipient, after setting up a new delivery or performance schedule, may allow contractor to continue work, or treat the termination as a termination for convenience.
3. Opportunity to Cure (General Provision) the recipient in its sole discretion may, in the case of a termination for breach or default, allow contractor an appropriately short period of time in which to cure the defect. In such case, the notice of termination shall state the time period in which cure is permitted and other appropriate conditions. If contractor fails to remedy to the recipient's satisfaction the breach or default or any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by contractor or written notice from the recipient setting forth the nature of said breach or default, the recipient shall have the right to terminate the Contract without any further obligation to contractor. Any such termination of default shall not in any way operate to preclude the recipient from also pursuing all available remedies against contractor and its sureties for said breach or default.
4. Waiver of Remedies for any Breach In the event that the recipient elects to waive its remedies for any breach by contractor of any covenant, term or condition of this Contract, such waiver by the recipient shall not limit its remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.
5. Termination for Convenience (Professional or Transit Service Contracts) the recipient, by written notice, may terminate this contract, in whole or in part, when it is in the recipient's interest. If the contract is terminated, the recipient shall be liable only for payment under the payment provisions of this contract for services rendered before the effective date of termination.
6. Termination for Default (Supplies and Service) If contractor fails to deliver supplies or to perform the services within the time specified in this contract or any extension or if the contractor fails to comply with any other provisions of this contract, the recipient may terminate this contract for default. The recipient shall terminate by delivering to the contractor a notice of termination specifying the nature of default. The contractor shall only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner or performance set forth in this contract. If, after termination for failure to fulfill contract obligations, it is determined that the contractor was not in default, the rights and obligations of the parties shall be the same as if termination had been issued for the recipient's convenience.
7. Termination for Default (Transportation Services) If contractor fails to pick up the commodities or to perform the services, including delivery services, within the time specified in this contract or any extension or if contractor fails to comply with any other provisions of this contract, the recipient may terminate this contract for default. The recipient shall terminate by delivering to the contractor a notice of termination specifying the nature of default. The contractor shall only be paid the contract price for services performed in accordance with the manner of performance set forth in this contract. If this contract is terminated while the contractor has possession of the recipient goods, the contractor shall, as directed by the recipient, protect and preserve the goods until surrendered to the recipient 26 or its agent. The contractor and the recipient shall agree on payment for the preservation and protection of goods. Failure to agree on an amount shall be resolved under the Dispute clause. If, after termination for failure to fulfill contract

obligations, it is determined that the contractor was not in default, the rights and obligations of the parties shall be the same as if termination had been issued for the recipient's convenience.

8. Termination for Default (Construction) If contractor refuses or fails to prosecute the work or any separable part, with the diligence that will ensure its completion within the time specified, or any extension, or fails to complete the work within this time, or if contractor fails to comply with any other provisions of this contract, the recipient may terminate this contract for default. The recipient shall terminate by delivering to the contractor a notice of termination specifying the nature of default. In this event, the recipient may take over the work and complete it by contract or otherwise, and may take possession of and use any materials, appliances, and plant on the work site necessary for completing the work. The contractor and its sureties shall be liable for any damage to the recipient resulting from contractor's refusal or failure to complete the work within specified time, whether or not contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred by the recipient in completing the work. Contractor's right to proceed shall not be terminated nor shall contractor be charged with damages under this clause if:
 - a. Delay in completing the work arises from unforeseeable causes beyond their control and without the fault or negligence of contractor. Examples of such causes include: acts of God, acts of the recipient, acts of another contractor in the performance of a contract with the recipient, epidemics, quarantine restrictions, strikes, freight embargoes; and
 - b. Contractor, within 10 days from the beginning of any delay, notifies the recipient in writing of the causes of delay. If in the recipient's judgment, delay is excusable, the time for completing the work shall be extended. The recipient's judgment shall be final and conclusive on the parties, but subject to appeal under the Disputes clauses. If, after termination of contractor's right to proceed, it is determined that contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if termination had been issued for the recipient's convenience. If termination for Convenience or Default (Architect & Engineering) the recipient may terminate this contract in whole or in part, for the recipient's convenience or because of contractor's failure to fulfill contract obligations. The recipient shall terminate by delivering to the contractor a notice of termination specifying the nature, extent, and effective date of termination. Upon receipt of the notice, contractor shall (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to the recipient all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this contract, whether completed or in process. If termination is for the recipient's convenience, it shall make an equitable adjustment in the contract price but shall allow no anticipated profit on unperformed services. If termination is for contractor's failure to fulfill contract obligations, the recipient may complete the work by contract or otherwise and contractor shall be liable for any additional cost incurred by the recipient. If, after termination for failure to fulfill contract obligations, it is determined that the contractor was not in default, the rights and obligations of the parties shall be the same as if termination had been issued for the recipient's convenience.
9. Termination for Convenience or Default (Cost-Type Contracts) the recipient may terminate this contract, or any portion of it, by serving a notice of termination on the contractor. The notice shall state whether termination is for convenience of the recipient or for default of contractor. If termination is for default, the notice shall state the manner in which contractor has failed to perform the requirements of the contract. Contractor shall account for any property in its possession paid for from funds received from the recipient, or property supplied to contractor by the recipient. If termination is for default, the recipient may fix the fee, if the contract provides for a fee, to be paid to contractor in proportion to the value, if any, of work performed up to the time of termination. The contractor shall promptly submit its termination claim to the recipient and the parties shall negotiate the termination settlement to be paid to the contractor. If termination is for the recipient's convenience, the contractor shall be paid its contract closeout costs, and a fee, if the contract provided for payment of a fee, in proportion to the work performed up to the time of termination. If, after serving a notice of termination for default, the recipient determines that contractor has an excusable reason for not performing, such as strike, fire, flood, events which are not the fault of and are beyond the control of contractor, the recipient, after setting up a new work schedule, may allow contractor to continue work, or treat the termination as a termination for convenience.

Trafficking in Persons

The contractor agrees that it and its employees that participate in the Recipient's Award, may not:

1. Engage in severe forms of trafficking in persons during the period of time that the Recipient's Award is in effect.
2. Procure a commercial sex act during the period of time that the Recipient's Award is in effect; or
3. Use forced labor in the performance of the Recipient's Award or sub agreements thereunder.

Violation and Breach of Contract

1. Disputes: Disputes arising in the performance of this Contract that are not resolved by agreement of the parties shall be decided in writing by the authorized representative of the agency. This decision shall be final and conclusive unless within [10] days from the date of receipt of its copy, the Contractor mails or otherwise furnishes a written appeal to the agencies authorized representative. In connection with any such appeal, the Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of the agencies authorized representative shall be binding upon the Contractor and the Contractor shall abide by the decision.
2. Performance during Dispute: 36 Unless otherwise directed by the agency's authorized representative, the contractor shall continue performance under this contract while matters in dispute are being resolved.
3. Claims for Damages: Should either party to the contract suffer injury or damage to person or property because of any act or omission of the party or of any of his employees, agents, or others for whose acts he is legally liable, a claim for damages therefore shall be made in writing to such other party within a reasonable time after the first observance of such injury or damage.
4. Remedies: Unless this contract provides otherwise, all claims, counterclaims, disputes and other matters in question between the agencies authorized representative and contractor arising out of or relating to this agreement, or its breach will be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State in which the Agency is located.
5. Rights and Remedies: Duties and obligations imposed by the contract documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by the Agency or contractor shall constitute a waiver of any right or duty afforded by any of them under the contract, nor shall any such action or failure to act constitute an approval of acquiescence in any breach thereunder, except as may be specifically agreed in writing.

Attachment D1: Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is submitted for assistance in obtaining a copy of those regulations (13 CFR Part 145).
6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the ineligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

NONRESIDENT TAXPAYER REGISTRATION AFFIDAVIT INCOME TAX WITHHOLDING

Withholding Requirements for Payments to Nonresidents: Section 12-8-550 of the South Carolina Code of Laws requires persons hiring or contracting with a nonresident conducting a business or performing personal services of a temporary nature within South Carolina to withhold 2% of each payment made to the nonresident. The withholding requirement does not apply to (1) payments on purchase orders for tangible personal property when the payments are not accompanied by services to be performed in South Carolina, (2) nonresidents who are not conducting business in South Carolina, (3) nonresidents for contracts that do not exceed \$10,000 in a calendar year, or (4) payments to a nonresident who (a) registers with either the S.C. Department of Revenue or the S.C. Secretary of State and (b) submits a Nonresident Taxpayer Registration Affidavit - Income Tax Withholding, Form I-312 to the person letting the contract.

The withholding requirement applies to every governmental entity that uses a contract ("Using Entity"). Nonresidents should submit a separate copy of the Nonresident Taxpayer Registration Affidavit - Income Tax Withholding, Form I-312 to every Using Entity that makes payment to the nonresident pursuant to this solicitation. Once submitted, an affidavit is valid for all contracts between the nonresident and the Using Entity, unless the Using Entity receives notice from the Department of Revenue that the exemption from withholding has been revoked.

Section 12-8-540 requires persons making payment to a nonresident taxpayer of rentals or royalties at a rate of \$1,200.00 or more a year for the use of or for the privilege of using property in South Carolina to withhold 7% of the total of each payment made to a nonresident taxpayer who is not a corporation and 5% if the payment is made to a corporation. Contact the Department of Revenue for any applicable exceptions.

For information about other withholding requirements (e.g., employee withholding), contact the Withholding Section at the South Carolina Department of Revenue at 803-898-5383 or visit the Department's website at: www.sctax.org
