About Us

IMD Legal Translation and Interpreting Ltd supports legal professionals and law firms in delivering excellence to their clients through providing top-quality **translation, interpreting, and transcription** services. Established or solicitors we cover **all legal practice areas** and related specialisms, from personal injury and medical negligence to arbitration, corporate, and criminal.

We're **ISO 17100 and ISO 9001 certified** – and externally audited on a regular basis. This means you can rest assured our translation, documentation and management systems, processes, procedures, and services are in line with and held to the highest of international standards.

Over 400 linguists combining dozens of language pairs, specialisms, and legal practice areas to ensure nothing is 'lost in translation'.

Our Clients

We work with all practice sizes, from individual solicitors to global law firms, to provide accurate and timely translations, transcriptions, and interpreting services between dozens of language, from Arabic and Urdu, to Chinese and Turkish, across all legal practice areas.

Our Services

From document translation for high-profile international litigation, to criminal trial bundles translated within Legal Aid rates, we aim to add real value to your case. We are able to handle translation jobs of all sizes, from marriage certificates and witness statements to medical reports and multi-jurisdiction litigation documents, and we facilitate interpreting all purposes from remote business negotiations to in-person court hearings.

Legal Aid Rates Available in most instances - ask our staff for more info
