We are proud to have chosen this unique venue to celebrate and welcome our members, corporate guests and partners.

Always berthed at the most prominent and sought after location in the marina, Berth 36, each Abu Dhabi race weekend event has seen incredible success attracting celebrities such as J Cole, Future, Omarion, Alec Monopoly, Kevin Hart, Ludacris, French Montana, Tinie Tempah and many more.

Our yacht platforms have always surpassed our guests expectations and the portfolio thus far has included the largest and most luxurious yacht within the marina walls, all of which have been specifically chosen and transported to the region on special request. This has been officially recognised by Yas Marina by consistently being awarded Best Yacht Hospitality seven years running!

The aim of our yacht platforms have always been to create a sophisticated and elegant atmosphere with subtle background business expositions from boutique galleries to model displays resulting in a warm & welcoming space.
