**MINEHEAD
YOUTH CLUB
SEP 2023 - FEB 2024**

Minehead Youth Club resumed after the summer holidays in September 2023, seamlessly continuing from the previous school year. The Youth Club provides a dynamic and popular environment where individuals can safely participate in various activities. This year, we are fortunate to have integrated two members from our wellbeing team into the Youth Club, alongside our other youth workers. This has been beneficial as these wellbeing team members also engage with attendees in schools, fostering stronger relationships with Youth Club members.

Minehead Youth Club runs on Monday evenings, serving as the spearhead session for Minehead Eye, alongside Boys Night, Girls Night, and Skate Schools on other evenings throughout the week. This allows us to provide teenagers and young people with a range of opportunities, including access to trained youth workers, a secure space, and engaging, varied activities; There is always something to do! By offering such options, we aim to combat negative stereotypes about young people and provide education on various topics such as anti-social behaviour, sexual health, mental health, and substance abuse.

The affordability of Minehead Youth Club is a crucial factor in ensuring accessibility for teenagers and young people. As we can subsidise the entry fee, we offer the club at only £1 per session (compared to other sessions starting at £2.50); Some young people find Youth Club to be the only affordable option.

This year so far (September 2023 to February 2024) has been busy with visits from various organizations covering diverse topics. These include Somerset Wildlife Federation, 2BU (LGBTQ+) organization, and local PCSOs who will be returning soon to talk to the group about online safety.

In addition to these activities, we have continued with our 50p food night once a month. Our 50p food night allows our members to enjoy a hot meal for an extra 50p. We have also focused on promoting healthy eating habits and decided to offer free fresh fruit and drinks every week, a popular addition to the sessions.

To provide more insight into the range of activities we offer, we have included a programme plan, along with our current poster. Please feel free to share or request a digital copy by emailing andy@minehead-eye.co.uk for further information.
