

## **New Ear Marked Reserves (EMR) accounts**

### **Background.**

With devolution in April 2025, there is a need to add new ear marked reserves accounts to fund future spending in the following areas.

The new cost centres will be:-

### **Elections.**

This account will fund un-programmed elections instigated by the electorate and any future programmed elections. Initial funds will be moved to the EMR from the budgeted cost centres for 2024-25 & 2025-2026.

This will be an ongoing EMR.

### **Devolution:**

This account will hold the unused proportion of the budgeted 2024-25 cost centre. The funds will be used for any unforeseen/emergency work following Devolution eg. Extra legal work, emergency works or necessary replacement items.

This EMR will be short term.

### **Town Monuments:**

This account will fund repairs to the historic monuments based in Minehead & Alcombe. Eg. Queen Anne statue & canopy, War Memorial at Martlet Road, War Memorial & canopy at Manor Road, Alcombe.

Initial funds will consist of the unspent funds in the Wellington Square cost centre 2024-25.

This will be an ongoing EMR.

### **Cost Centre Transfers to cover committed projects agreed in 2024-2025**

These transfers are to cover projects that have been agreed in the 2024-25 financial year and are yet to be completed. The remaining funds at the end of the financial year are to be transferred into the corresponding cost centre for 2025-2026 or/and EMRs if not completed before April 1<sup>st</sup> 2025.
