

MINEHEAD TOWN COUNCIL GRANTS' POLICY AND APPLICATION FORM

1. WHAT IS A GRANT AND WHO IS IT FOR?

Minehead Town Council has a budget for the award of Grants. The Council can only award Grants by using certain powers under Section 137 of the Local Government Act 1972. This allows the Council to award Grants to community organisations, schools and other local groups and is a power specific to the activity for which the Grant is sought, such as Grants to a sports club or a music festival. In other cases, it may decide to use this power to award a Grant where it feels that to do so will benefit residents or the area.

1.1 A Grant is any payment made by the Council to be used by an organisation or a group to enhance the life or community of the town for a specific purpose which is not directly controlled or administered by the Council and should fit with the Town Council's priorities.

1.2 As Minehead Town Council is funded by its local residents, the aim of the Town Council's Grant Scheme is to promote a vibrant community in Minehead. The Town Council recognises and supports the valuable contribution made by volunteers to the wellbeing of the community. It provides financial support for community organisations working for the benefit of residents, with the intention of improving the range of services and activities to the community.

1.3 Grants budgets are set and agreed annually as part of the Council's budget setting process.

1.4 Grants may be applied for any amount between £100 and £500. Grants are generally awarded quarterly in April, July, October, and January.

1.5 The Council reserves the right to reject applications or award less than the amount requested.

1.6 The Committee will take into account any previous Grant made when considering a new application.

1.7 Grants will not be awarded retrospectively for costs incurred in the past. Grants can only be applied to future funding requirements.

1.8 Grants will not be awarded for capital projects; operational costs; salaries or remuneration; payments of any kind to individuals; bodies which are companies limited by shares or limited liability partnerships.

1.9 Grants will only be awarded for specific projects which have a start and end date within the current budget year of April 1 to March 31.

2. WHO CAN APPLY FOR A GRANT?

2.1 Applications will only be accepted from voluntary, charitable and/or not-for-profit organisations.

2.2 The organisation should be a properly constituted, non-profit making voluntary body and should be wholly based in Minehead or Alcombe, or be able to clearly demonstrate that it will provide a direct benefit to the residents of Minehead and Alcombe.

2.3 The organisation must provide, or propose to provide, an activity or service that is clearly for the benefit of all or some of the community.

2.4 When applying for a Grant, an organisation must provide a written Constitution that has been formally adopted by the members of that organisation, or a similar document of agreement between individuals where their association is less than formal.

2.5 The organisation is required to have a bank account in its own name with a minimum of two authorised signatories, and to provide their most recent three (3) months' bank statements and accounts for the preceding 12 month period. If you are unable to provide the above documentation please explain why.

2.6 The organisation will be required to submit an application along with supporting paperwork. Following its receipt the application will be considered at the next appropriate Committee meeting.

2.7 Only one application may be made from any organisation in a Grant year (runs from 1 April until 31 March). Repeat and/or annual applications are not encouraged.

3. WHO CANNOT APPLY FOR A GRANT

3.1 The Council is prevented by statute from giving financial assistance to individuals, charities operating overseas or to a fund established to help persons outside the UK.

3.2 Applications will not be considered from organisations intending to support or oppose pressure groups; religious groups; political parties / groups / organizations or to discriminate on the grounds of race; age; gender; sexuality; disability or religion.

3.3 Applications will not be considered from any business.

3.4 Applications will not be considered from 'upward funders' e.g. local groups whose fund raising is sent to their central headquarters for redistribution or donated to other organisations.

3.5 Applications will not normally be considered from national or international organisations or from local groups with access to national or international 'umbrella' or 'parent' organisations, unless funds are not available from their national/international bodies, or the funds available are inadequate for a specified project.
