We understand the importance of accessibility and strive to accommodate as many residents as possible. To achieve this, we intentionally vary the days and times of these community engagement events. Our goal is to ensure that a wide range of schedules are catered to, allowing more individuals the opportunity to attend and participate. We value feedback from our community and remain committed to considering their preferences and needs when organising future events. Please contact info@mineheadtowncouncil.co.uk if you have any further feedback for us.
