Re: Minehead Victorian Christmas Event – Friday 28th November 2025

Dear Resident,

We are writing to inform you about the upcoming Minehead Victorian Christmas Event, which will take place on Friday 28th November 2025. The event will run from 16:30 to 21:00, with road closures in effect from 13:30 to 23:59.

This year, the road closure will cover The Avenue from the Tregonwell/North Road junction to The Parade (Wellington Square/Floyds Corner junction). This revised layout will make the diversion route easier to follow; however, please note that Glenmore Road, Ponsford Road, and Tregonwell Road will form part of the diversion route, and residents in these areas are therefore likely to experience increased traffic during the event period.

To support smooth traffic flow, no parking cones will be placed along the diversion route (Diversion route map overleaf) and we strongly encourage residents not to park on the road during this time. Instead, please make use of the free parking available in the following car parks, which will be open all day on Friday 28th November:

- Station Car Park
- Alexandra Road Car Park
- Clanville Car Park
- Summerland Car Park
- North Road Car Park

The Victorian Christmas Event is a cherished community celebration, featuring local entertainment, performances, and the official Christmas lights switch-on. Your cooperation is vital in helping ensure the event remains safe, enjoyable, and successful for everyone.

If you have any concerns about how the event may affect you, please don't hesitate to contact us on 01643 707213 or email info@mineheadtowncouncil.gov.uk.

Thank you for your understanding and continued support in helping make Minehead's Victorian Christmas a highlight of our town's festive calendar.
