

Volunteer Opportunities

Dear Parents,

Thank you so much for choosing Seacoast Charter Academy for your child's education! We are truly excited to be teaching your children. As the year progresses, there are times that we could use an extra set of hands!

As you know, we can't do it without you and that is why we ask every parent to volunteer 20 hours for one child or 30 hours for a family. We do know that your time is precious and that is why we try to offer multiple opportunities for you to help in any capacity. The following is a list of ways that you can volunteer. Please check off the ways in which you would like to be involved. From this list, we can then contact you when we are in need of some extra help.

If you are still unable to offer time but would still like to help, you can opt to pay for your hours at \$10 a volunteer hour or \$200 for the whole year.

Thank you!
