 2023 President of PCRW**

Happy Spring fellow Republicans!

Parker County continues to grow leaps and bounds and there are many Republicans coming into this County who do not know who to talk to or where to go vote. This is concerning for some of us, and I believe that it should be concerning to all of us as we move into another election season.

I encourage everyone to check and see if they are a registered voter at <https://teamrv-mvp.sos.texas.gov/MVP/mvp.do>. If you are not registered, you can do that at this website or talk to one of many PCRW members who are deputized to register voters. Municipal elections are soon ahead and are just as important as all the other elections. Every vote matters, including yours. Remember, you make a difference!

I look forward to our April meeting with County Attorney John Forrest, County Commissioner Larry Walden and State Representative Glenn Rogers discussing water issues and solutions in Parker County. I hope that you all can join us at the Doss on the April 20<sup>th</sup> at 11:30. I think they have a lot to update our members about what is going on in the County, so don't miss this informative lunch. For reservations, please email Elizabeth at [efalconer@positionbydesign.com](mailto:efalconer@positionbydesign.com). Zan, our program chair has done an amazing job at making sure our programs are on topic and informative.

We are empowered women empowering others, and together we can continue to make Parker County a leader of conservator government.

Happy Spring!

For God and Country,

Rachael Watson

# Volunteer Hours

## GENERAL POLICY FOR COUNTING POLITICAL / CAMPAIGN HOURS

### And Political Calls

1. All hours count for activities that are political in nature or support the Republican Philosophy. This includes in person and conference or web- based events.
2. Paid hours count – if not your primary income. Hours as Election Judge, Clerk Poll watcher, door knocking, phone bank calling and other activities.
3. Hours for elected officials who receive a stipend salary can be counted. Such as Texas State Senators and Representatives, some city council and school board members. Don't forget to count the hours of time they spend out and about the community.
4. Hours for your club meetings counts, general monthly meetings, board, committee meetings.
5. Work done for campaigns, including all work for mailings, preparing signs, telephoning, door knocking, poll greeting etc. Work can be performed at any location, home, campaign headquarters, GOP offices, polling locations. Include any travel time
6. Hours spent at a special event, including all organizing, planning and cleanup. Even events you pay for or are compensated for.
7. All hours at Texas Federation board meetings, events, conventions, training, includes event preparation and travel time.
8. Any hours spent as a precinct chair or assisting your precinct chair
9. Travel and time spend at Republican Party events, including County Executive meetings, SREC meetings, Precinct conventions, County/SD Conventions, State convention, National Convention.
10. Party Committee work, local or state. Includes any committee meetings, and preparation.
11. Volunteering at TFRW headquarters or local GOP headquarters
12. Committee work performed for appointments made at the local, county or state level. Includes travel time, preparation and associated activities.
13. Political candidates may count all campaign hours.
14. Work on local “non” partisan elections counts, if work is done for known Republican candidates, this includes city and school board elections.

15. SREC work, including time spent creating reports, committee work, quarterly meetings, updating local CEC and clubs.

16. Voter registration work, include time and travel to become certified, and drop off forms. Set up and work on Voter registration drive booth/events, include clean up.

17. Time spent voting.

#### Tracking of Political calls

Note: the time spent making calls counts under hours.

1. Calls of a political nature or for club activities
2. Calls made to elected officials
3. Calls made for voter registration, GOTV
4. Calls made for campaigns
5. Calls to remind members of club meetings/events/membership
6. Calls in support or opposition to legislation

#### Special notes:

Reporting hours and tracking is on a best time estimate.

Travel time refers to time it takes to go to and from the event, including rest and food break without

side trips for personal business.

A “known” Republican is someone who voted in the most recent GOP primary election.

Female associates only report to their home club. Male Associates report hours to their spouse’s home

club or to the club closest to his home residence.

NOTE: Per the TFRW Bylaws, Article III, Sections 1 & 2 – Club Presidents and Campaign Activities Chairs

are not permitted to endorse or work in GOP primary or nonpartisan elections when there is more than

one Republican in the race. Clubs may not endorse in the name of the club. Individual members may work for the Republican of their choice.
