

Social Media Marketing

Program Outline

Overview

Social media is a powerful tool to help you connect with your ideal audience and showcase your brand. It can help you meet several business goals including increasing sales, expanding market reach, launching new products, and improving customer experience and retention.

Social media can be complex to understand and manage. With multiple platforms that all have changing trends and algorithms, keeping up can be a time consuming task!

This program helps you determine which social media platforms you should be marketing your business on and provides a simple, in depth understanding of how to market your business successfully on Facebook, LinkedIn, Instagram, TikTok, Google Business, and more.

COURSE STRUCTURE

Participants will receive instruction through online group Zoom classes. They will also have access to all course tools and content including recordings of classes on an e-learning hub, allowing them to review anything they missed at their own convenience. Participants can also become part of our Facebook group community, giving them an open forum to ask questions to instructors and other business owners.

COURSE HOURS

- **24 Hours of instructional time total**
- **Weekly 4 hr group Zoom sessions for 6 weeks**

Who is this program for?

BUSINESS OWNERS

Interacting with consumers on social media is an important marketing strategy for small businesses. Using social media helps you build brand awareness, increase your customer base, and connect with current customers. Gerhardt Studios

Gerhardt Studios is a boutique agency that helps business grow on social media. Their team consists of in-house specialists in marketing, photography, videography and graphic design, which enables them to provide their customers with a level of service that is hard to match from a freelancer at a cost that is very competitive relative to hiring independent sub-contractors or a large agency. They currently manage nearly 100 social media profiles for just over 20 businesses and in some months, publish over 2,000 posts.

Gerhardt Studios was founded by Dean and Nicole Gerhardt after years of experience in marketing, photography and videography. They operate the business as partners and have a team of 6 marketers, photographers and designers to help craft content for clients.

The team at Gerhardt Studios is excited to share our social media knowledge with you and help you create a tangible social media plan that you can execute to build your business.
