- Starts the day you enroll
- Will be honored for a period of 12 months from enrollment date

### Discounted Hygiene Appointments:

Maximum of two hygiene appointments per enrollment period including the hygiene appointment done the day of enrollment charge if applicable. Any cleanings in addition to the two per enrollment period will be charged at standard office fee.

2 periodic exams per enrollment period – No Charge

1 set of diagnostic x-rays per enrollment period – No Charge

Reduced fee for prophylaxis (preventive cleaning) - **\$48.00**

Reduced fee for periodontal maintenance (after SRP treatment, up to 3 per year) - **\$75.00**

Problem focused exams (for toothache) with x-ray - **48.00**

Please reference below for examples of our standard office hygiene fees.

Periodic exam – \$56.00

Preventive cleaning – \$100.00

4 Bitewing & 2 Periapical x-rays - \$132

Periodontal cleaning - \$151.00

### Discounted Treatment

-up to 40% our standard office fees

-treatment plans can be presented at time of diagnosis to show difference between office fee and discounted fee

Periodic exams and cleanings are recommended every six months unless advised otherwise. X-rays are required once per year to do a thorough exam and meet standard of care guidelines

This is not insurance. This is an office only discount plan designed to help our patients without insurance to improve and maintain their oral health at discounted costs. The discount plan fee is non-refundable.
