

Trinity Church Photography Club

Trinity Church is excited to launch a new Photography Club, and we invite you to join us!

The club is open to everyone, regardless of experience level. Whether you use a digital camera, film, or a smartphone, all are welcome.

Our goal is to create a space for sharing and learning without the pressure of competition. We will meet monthly to explore various topics, such as:

- Photography techniques and special effects
- Macro photography and depth of field
- Black and white photography
- Raw vs. JPEG formats
- Editing software

**Our first meeting will be held on March 26th at 6:30 p.m.
at Trinity Church, located at 215 W. Court St., Rome.**

If you are interested in joining, please contact us at trinitychurch86@gmail.com or call 315-336-2833 with your contact details.
