Since Family Camp is new, we will do our best to accommodate as many as possible in their preferred accommodation. We have **limited** RV sites that will be assigned based on what we can fit. Our cabins accommodate 12 people with six single bunks (and you are welcome to bring an air mattress if you prefer as there is sufficient floor space). If you are willing to share a cabin with family/friends of your choosing, we would be happy to accommodate that, too.
