

Job Opportunity: Field Welder

Location: VersaPile, Inc. – Winnipeg, MB

Wage: Competitive (based on experience and qualifications) + out-of-town pay increases

Benefits: Comprehensive health benefits package

Are you an experienced welder with an unmatched work ethic, ready to tackle exciting challenges in the field? VersaPile, Inc., Canada's trusted name in high capacity helical pile foundations, is seeking a **Field Welder** to join our dynamic team.

About the Role

As a Field Welder at VersaPile, you'll work primarily in the field (with some yard/shop welding as needed) supporting helical pile installation projects. Your day-to-day work will include tasks such as:

- Cutting and capping helical piles.
- Splicing extensions.
- Field modifications to piles or pile caps.
- Fabricating pile caps and other steel components (as required).
- Performing welding-related repairs and supporting equipment readiness when needed.

You may also assist with helical pile installation when it makes sense to keep projects moving efficiently.

Note: This role requires regular out-of-town travel, regular overtime work, sometimes for extended periods, and working outdoors in all weather conditions—rain, shine, or snow.

What We're Looking For

- **Proven Welding Expertise:** Extensive experience in field welding with wire and stick methods.
- **Safety First:** Strong safety habits and willingness to follow procedures and documentation requirements.
- **Quality Mindset:** Pride in workmanship, consistency, and doing the job right the first time.
- **Plan Reading Proficiency:** Ability to read and interpret construction plans with precision.
- **Field Savvy:** Willingness to work outdoors in challenging environments.
- **Travel-Ready:** Availability for frequent out-of-town projects.

- **Driver's License:** Class 5 required (Class 3 or Class 1 is a strong asset).
 - **Helical Pile Experience:** Experience with helical piles is a plus but not mandatory—we'll provide training.
 - **Indigenous Friendly:** Must be excited to work in Indigenous communities - does not have to be Indigenous while preference is given to Indigenous candidates.
-

Why Join VersaPile?

At VersaPile, we don't just lay foundations for structures—we lay foundations for careers. Here's what you can expect:

- **Competitive Pay:** Hourly rate is dependent on experience, plus additional pay for out-of-town work.
 - **Benefits Package:** Enjoy a comprehensive health benefits plan.
 - **Exciting Projects:** Work on innovative clean energy infrastructure and cutting-edge piling projects.
 - **Growth Opportunities:** Be part of a team dedicated to continuous improvement and professional development.
 - **Inclusive Environment:** We believe in hard work, professionalism, and teamwork—no jerks allowed!
