THERE ARE MANY BENEFITS TO RUBBER PAVING.

NO ICE BUILDUP

You no longer have to worry about ice adhering to your sidewalk and steps. Ice on a rubber surface is easy to remove with a shovel.

SAFER ENTRANCE

Rubber surfaces are soft and non-slip making your entryway Safer.

HIDE CRACKS & SHIFTING

The nature of the rubber product allows cracks and uneven surfaces to be filled, levelled and seamless.

CUSTOM COLOURS

There are a wide variety of coloured options that can be matched to the exterior of your home.
