

Slokker Homes

2024 Report under the *Fighting Against Forced Labour and Child Labour in Supply Chains Act*

Slokker Homes

Introduction

This report has been prepared jointly by Slokker Canada West Inc., its limited partner Aspen Springs L.P. and its general partner, Aspen Springs GP Ltd. (collectively “**Slokker Homes**”) in response to the requirements under Canada’s *Fighting Against Forced Labour and Child Labour in Supply Chains Act* (“the **Act**”) for our financial year ending December 31, 2024 (the “**Reporting Period**”). This report covers the activities and supply chains of Slokker Homes.

Applicability of the Act is based on Slokker Homes having a business presence (i.e., place of business, business activities, and assets) in Canada as well as meeting the financial thresholds related to assets and revenue as set out by the Act. Slokker Homes is not subject to reporting requirements under supply chain legislation in jurisdictions outside of Canada, and this report is therefore structured to meet the requirements of only the Act.

Organizational structure, activities, and supply chain

Slokker Homes operates in the construction, and management sectors, building and selling homes in Calgary, Alberta, Canada. Slokker Homes has approximately 36 employees, and our headquarters are located in Calgary.

The Act requires Aspen Springs L.P. to report on its activities in relation to the production and sale of goods in Canada. Slokker Canada West Inc. controls an entity (by its general partner, Aspen Springs GP Ltd.) that produces and sells goods in Canada, and is therefore, required to report.

Slokker Homes procures a range of goods and services, such as the supply of services related to the planning, development and performance of construction activities.

Slokker Homes outsources selected operational activities to third parties in Calgary, such as the supply and installation of construction materials.
