THANK YOU CENTRAL GEORGIA EMC FOUNDATION!

Macon Volunteer Clinic is grateful to receive a **\$3,100 grant award from the Central Georgia EMC Foundation** to support patient care and chronic disease management.

This funding will provide blood pressure cuffs and diabetic glucose test strips to patients who need them most, helping them monitor their health at home and share important readings with their healthcare providers. These essential tools empower patients to better manage chronic conditions and reduce the risk of complications.

We are thankful to the Central Georgia EMC Foundation for investing in the health and well-being of our community and helping our patients take an active role in their care.

WITH GRATITUDE TO DR. MICHAEL WRIGHT

Macon Volunteer Clinic extends sincere gratitude to **Dr. Michael Wright** for his many years of service to our patients. Dr. Wright generously provided care for many of our more complex surgical dental cases, offering pro bono oral surgery services through his practice to patients who needed it most.

His willingness to support MVC patients helped ensure access to critical dental care that would otherwise have been out of reach. We are deeply appreciative of his years of partnership and commitment to community health.

As he enters retirement and closes his practice, we thank him for his service and wish him all the best in this next chapter.

WELCOMING ATRIUM HEALTH FAMILY MEDICINE RESIDENTS

Macon Volunteer Clinic recently had the opportunity to welcome a new class of **Atrium Health Family Medicine residents** for a tour of our clinic as they prepare for upcoming rotations with us.

**Family Medicine
Residency**

During their time at MVC, residents will work alongside our dedicated provider volunteers, gaining hands-on experience in community-based care while supporting patient visits and learning more about the unique needs of our patient population.

We are excited to partner with Atrium Health in training the next generation of physicians while continuing to provide high-quality care to our community.

MEDICARE MADE EASY: FREE EDUCATIONAL CLASS - JULY 13

Macon Volunteer Clinic will host a Medicare Made Easy educational class on **Monday, July 13th from 5:15pm-6:15pm**, designed to help community members better understand Medicare options, enrollment, and coverage basics.

This session is open not only to patients who are approaching Medicare eligibility, but also to individuals who may be helping care for or support family members navigating the process. The goal of this class is to provide clear, practical information to help attendees feel more confident in making informed healthcare decisions.

JOIN US ON THE COURSE

It's that time of year again! **The Five Star Celebrity Classic** is just a few short months away. This annual fundraiser is a wonderful opportunity to support **Macon Volunteer Clinic, Fellowship of Christian Athletes, and Rescue Mission of Middle Georgia**—three outstanding nonprofit organizations serving our community.

This year's event will be held on **September 14th and 15th**, and we would love your support. There are several ways to get involved, whether through sponsorship, participation, or donations.

Sponsor a Team:

Individual Golfer – \$300 per person

Includes lunch, greens fees, cart, beverages, tee package games, range balls, raffle tickets, event gift, awards reception with team photos, and invitations to the auction and dinner.
