

Celebri**g**ht

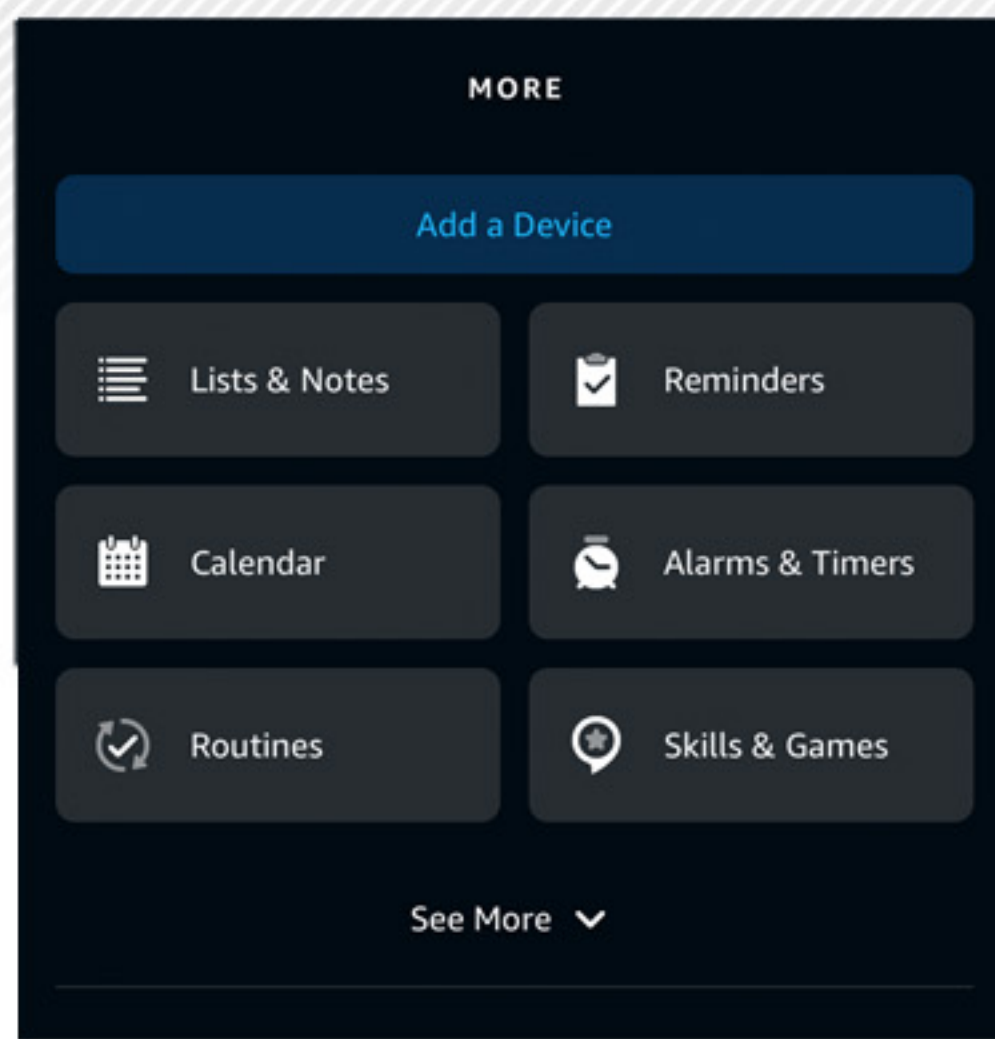

SMART INTEGRATION

"Alexa, let there be light!"

Quick Start Guide

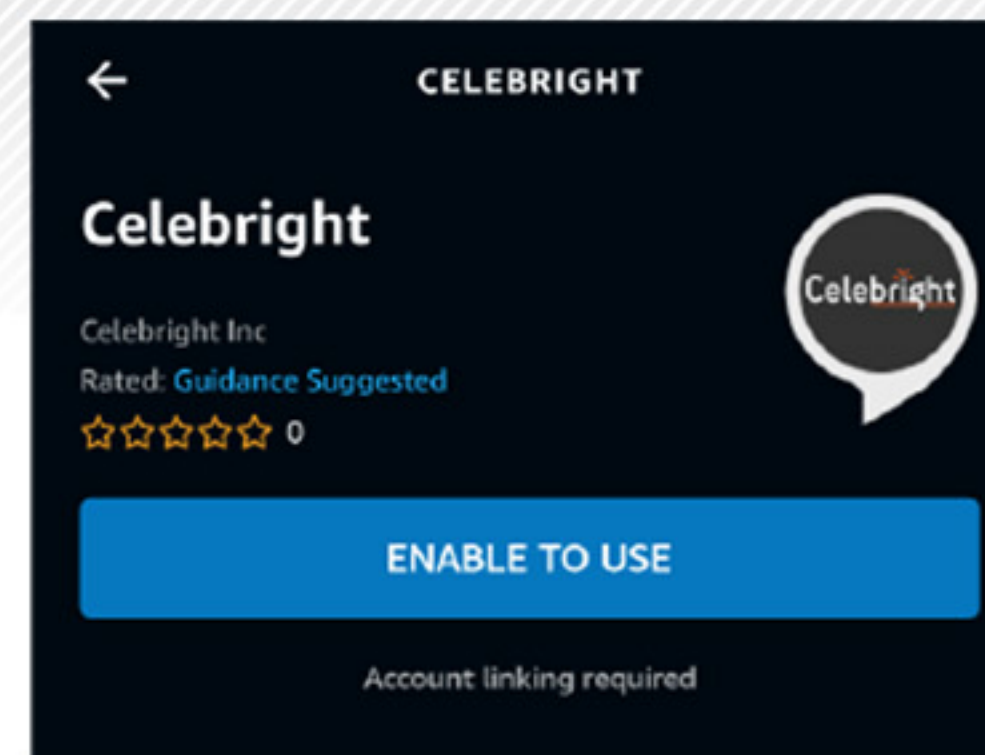

STEP
1

Open the **Alexa app** and go to **More** and then select **Skills & Games**

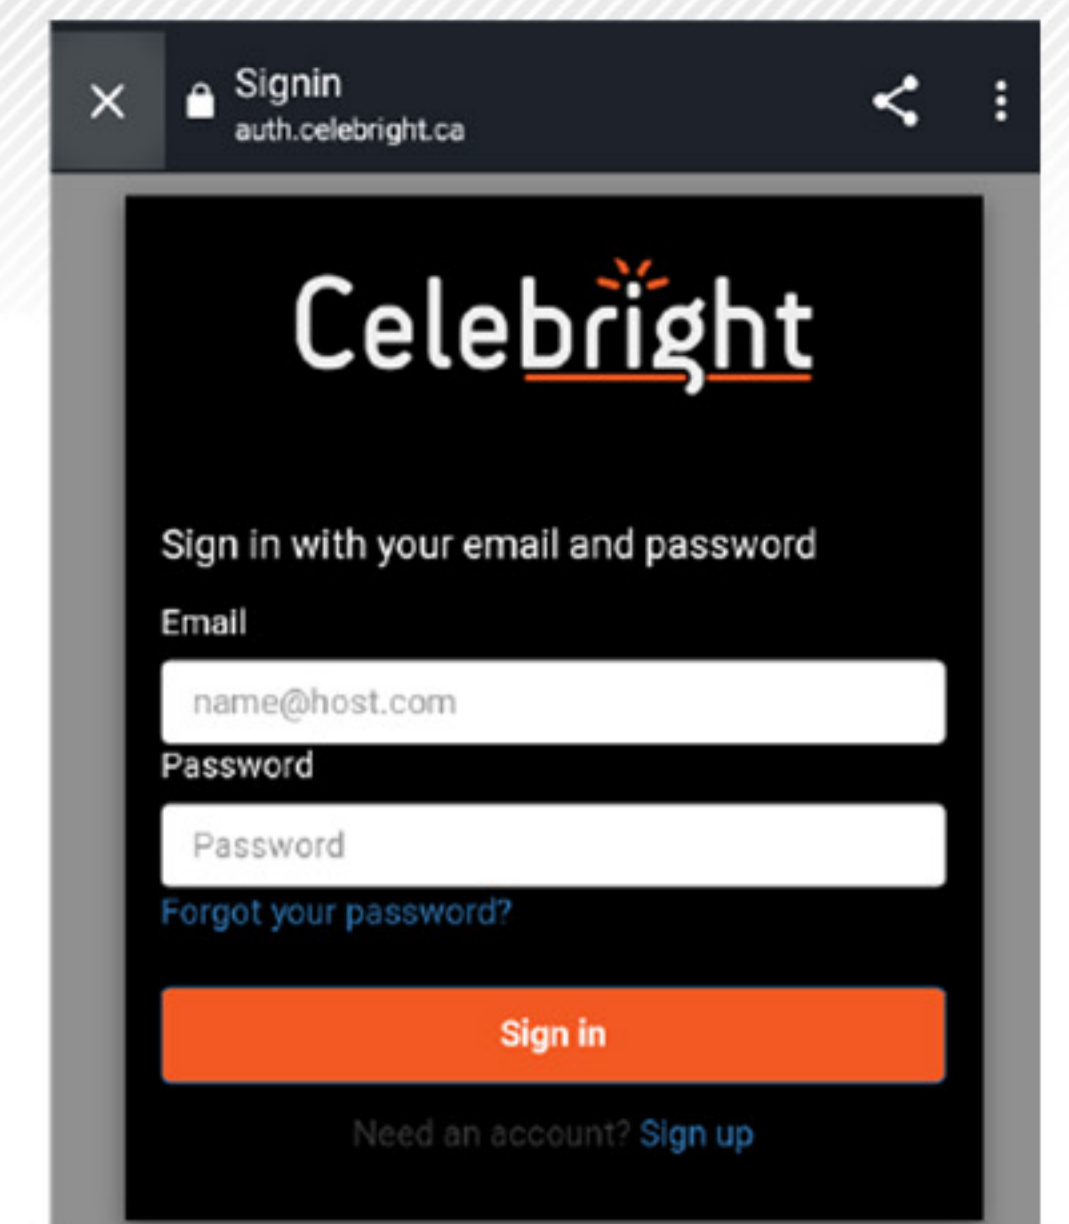

STEP
2

Search for **"Celebri**g**ht"** skill and then select **"ENABLE TO USE"**

STEP
3

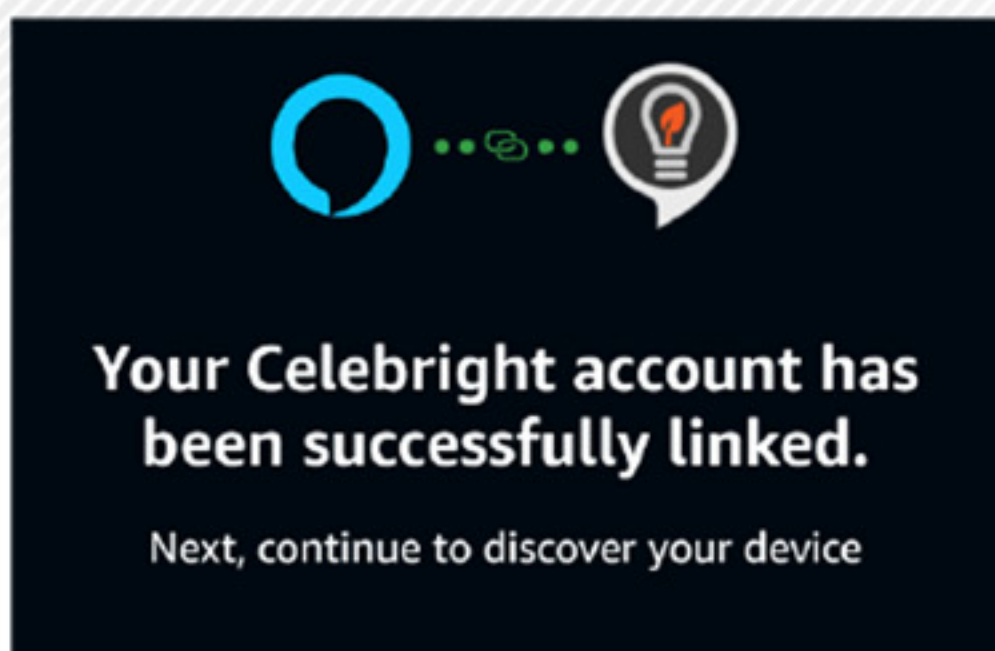

Enter the **credentials** used to sign into the **Celebri**g**ht app**

Forgot your password?
Celebri**g**ht App > Setting > Password

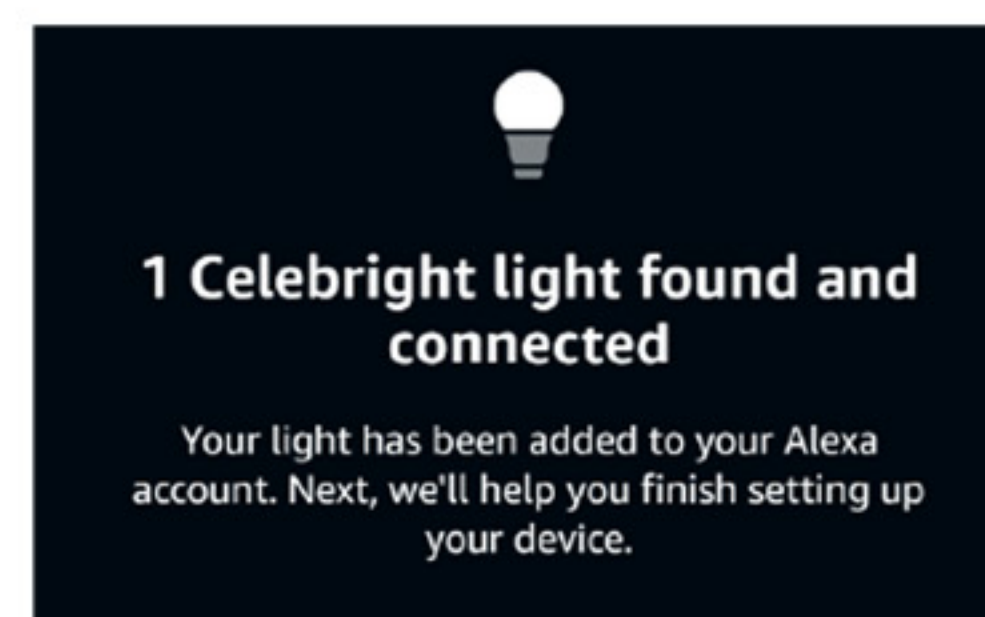

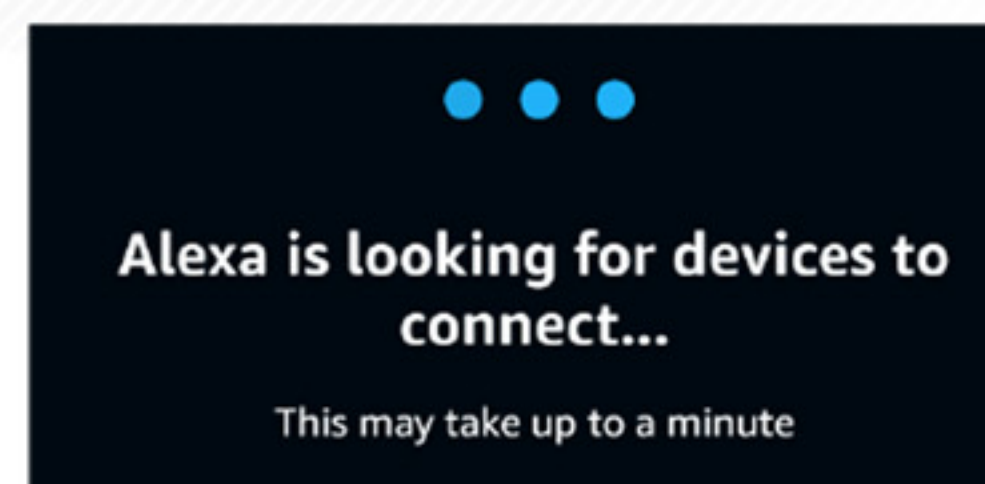

STEP
4

A **message indicating** your Celebri**g**ht account has been successfully linked. Select **"Next"**

STEP
5

Alexa will look for your device(s). This does take about a minute or two to complete. When your device(s) is found select **"Next"**

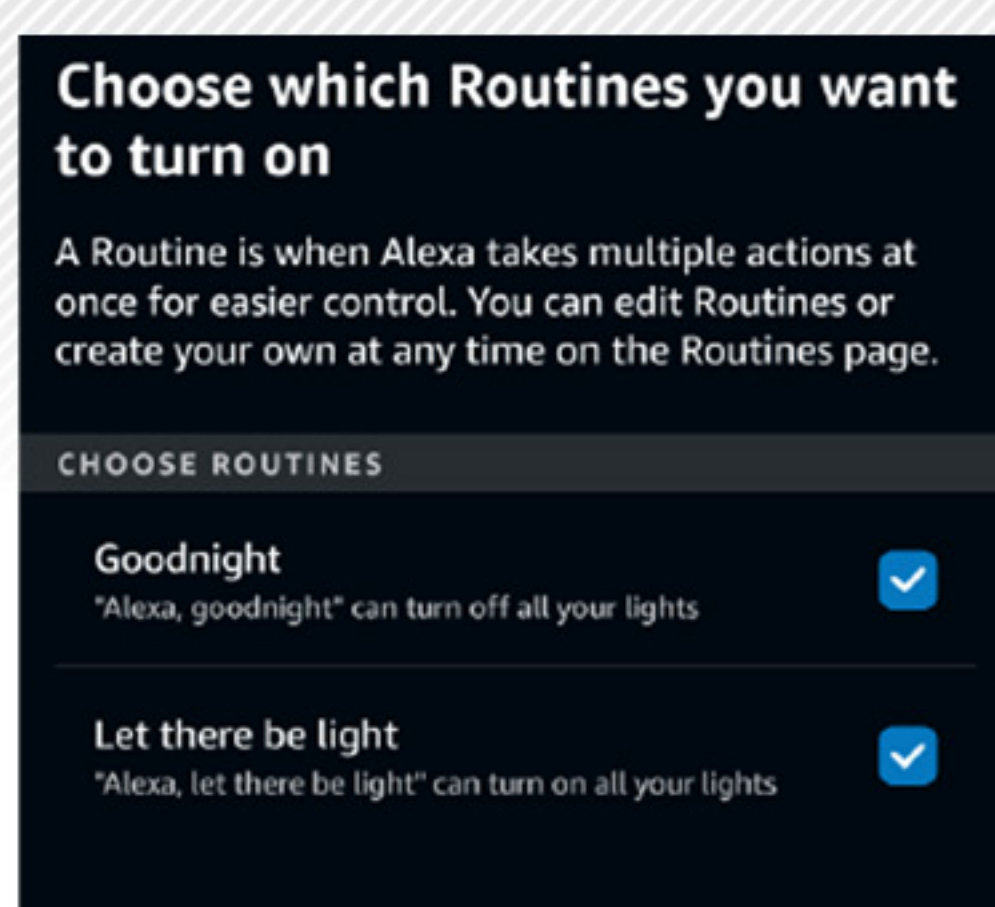

STEP
6

Choose what group to put your Celebri**g**ht device(s) into or choose to skip this step. Select **"Continue"**.

STEP
7

Select **Routines** or choose to Skip this step.

STEP
8

Select **Done.**
