- **10 YEAR WARRANTY**

At Eco Seal, most foundation cracks are fixed in one day and the repair is guaranteed!

- **FRACTION OF THE COST**

We seal cracks from inside using advanced injection technology — no digging, no mess, no damage to repair.

- **NO DAMAGE/DISRUPTION**

Our inside repair method is highly effective, clean, and non intrusive — no excavation or disruption to your landscaping & exterior!

- **WATER DAMAGE FROM FOUNDATION CRACKS ARE NOT COVERED**

In a survey of home owners, 90 percent thought that water damage from cracks were covered under their insurance. It is NOT! Take action now to avoid costly repairs
