

## President's Message

First, let me thank you all for the success of the blessed month of Ramadan campaign, which was a remarkable effort in distributing food baskets, Iftar meals, in-kind and cash assistance, in addition to the support provided by Imam Al-Hujjah Charitable Hospital to the needy by providing free and discounted services to approximately 1,270 patients. Also, the campaign brought joy to the hearts of orphans, as nearly 800 gifts were distributed for Eid Al-Fitr.

On this occasion, we would like to inform you that as DRF approaches its 20th anniversary, the board of directors have voted unanimously on a motion that will be a milestone change in the activities of DRF as it will expand its grant giving and humanitarian assistance to more countries in addition to Iraq.

DRF is working with a related agency, so it can support and help thousands of people throughout the world as its funding permits. DRF will aim to provide aid in countries and regions hit by natural disasters, famine, violence or any major calamity.

DRF services in its global humanitarian efforts will be driven by your generous support. Please do not hesitate to contact me if you have any question, ideas, or a concern.

**Sayed Ali Ghazvini**

DRF President
