About DRF

Development and Relief Foundation is a non-profit 501 (c) (3) organization with the purpose to develop a healthy, educated, sustainable community and provide relief to women, children, and low income individuals in Iraq. To meet this purpose, DRF provides quality education to children and adults, offers income-generating training for widows, distributes nourishing food and in-kind items to underserved families, sponsors orphans and less fortunate children, and operates a hospital that specializes in comprehensive and compassionate care.

Imam al-Hujjah Hospital

In 2007, DRF started constructing a 145-bed, 8-story hospital, which is committed to improving health and lives in the region. The surgical theater consists of 7 operation rooms, two of which specialize in cardiology and orthopedics, three general ORs, in addition to one cardiac catheterization lab, and one minor surgery room in the ER. Currently IHH provides affordable medical treatment to an average of 400 patients per day, and serves a population of over 3 million people. In addition, IHH offers free healthcare services for low income families. For more information please visit the following website. www.karbalahospital.org

Levels of Hospital Sponsorship

Platinum \$5,000

Gold \$2,500

Silver \$1,000

Bronze \$500

Orphan Sponsorship

DRF supports over 6,000 orphans in multiple Iraqi provinces; however, there are many more that need assistance. Many children have suffered so much at a young age. DRF

supports orphans and their foster families by giving clothes, food, education, and financial support. Help impact a life for the better; sponsor an orphan for **\$600 a year or \$50 a month.**

Food and In-kind Distribution

Food packages, Eid gifts, and kitchen and home appliances are distributed to low income families and orphans at DRF's Karbala, Baghdad, and Najaf offices.

DRF Schools

DRF firmly believes that education changes a society for generations. In 2007, DRF opened a school for orphans grades first through ninth with over 400 students. In 2014, as-Salihah Girls Academy opened and began educating over 200 orphans, refugees, and low income students. DRF schools would not be possible without their generous donors. In 2018 DRF opened its fourth learning center which was Imam al-Sadiq Daycare for Orphans thanks to kind support from our generous donors in Michigan.

Refugee Assistance

Over 2 million Iraqis have been displaced. Many families have fled their homes with little to no possessions. DRF has provided families with food packages, clothes, blankets, shelter, and financial assistance.
