October 2026

Dear Pierce City Resident,

It is time to schedule our Fall City-Wide Cleanup! There are guidelines to follow for what we can and cannot take. This cleanup will coincide with the residents' normal pick-up day. The dates are October 28th & Oct 30th. The extra will need to be placed curbside with the poly carts no later than 6:00 a.m. on their pick-up day. This is a curbside pick-up ONLY. There will be no second-round pick-up, and no trash can be brought into our location at 709 N Walnut St. The amount for pick-up needs to be contained within a 5x5 square.

We are looking forward to this and hope that it will be a wonderful service to help with the clean-up of our hometown.

Sincerely,

Dana Stanphill

Stanphill Sanitation LLC

Items not allowed: tires, paint, oils, yard waste (rocks, leaves, branches, etc.), lumber, metal and if there is anything in question, please call 417-476-5977.
