NEW SAFETY STANDARD

Every one of our gas fireplaces has been designed, tested and manufactured with a new safety screen.

Quality Craftsmanship

Savannah's products are designed with superior components and materials, assembled by trained craftsmen who take great pride in their work.

The burner and valve assembly are leak tested and test fired at a quality control test station. Once assembled, the complete fireplace is thoroughly inspected by a qualified technician before packaging to ensure that you, the customer, receives the quality product that you expect from Savannah.
