The President's Message

Dear Supporters,

As we reflect on the essence of Ramadan a month of generosity, compassion, and selflessness we are reminded of the profound impact we can make together. For over 4 years, the Canadian Aid and Relief Foundation (CARF) has stood steadfast in its mission, distributing tons of food packages to less fortunate families during this blessed month.

This year, the need is more urgent than ever. War and violence have devastated countless regions, leaving millions of families grappling with unimaginable hardships hunger, lack of clean water, medicine, adequate shelter, and power. The harsh realities they face are a call to action for all of us.

Your kindness and generosity have always been the heart of our efforts. Through your contributions, thousands of families have broken their fast with wholesome and healthy iftar meals every Ramadan. You have brought light into their lives when darkness surrounded them.

But this year, dear friends, we need your help more than ever. The number of those in need has surged, and we cannot do this alone. Can we count on you to provide hope and sustenance? Just \$200 can feed at least four families for four days a lifeline during these challenging times.

And as we prepare for Eid, let us also bring joy to orphaned children who long for a moment of happiness. Your \$30 donation can gift a child a precious Eid present, reminding them that they are not forgotten.

Will you answer the call?

Ramadan Mubarak,

Sayed Ali Ghazvini

Make This Ramadan a Month of Compassion and Healing

Ramadan is a sacred month of reflection, generosity, and community for Muslims around the world. It is a time when families and friends come together to share meals, grow spiritually, and give selflessly to those in need.

But for millions of displaced families, refugees, and disadvantaged individuals, Ramadan brings immense challenges. Hunger, scarcity, and uncertainty overshadow their days, making it difficult to experience the blessings this month has to offer.

As we gather around warm iftar tables, savoring delicious meals with our loved ones, let us remember those who lack even the most basic necessities. Your compassion and generosity can transform their Ramadan into a time of relief and healing.

For only \$35, you can provide a food package that will nourish a family of four for four iftars. For just \$30, you can light up the face of an orphan with an Eid gift, reminding them that they are loved and not forgotten.

DRF also welcomes your Eid Zakat, which will go directly to a family in need, offering them a chance to celebrate Eid with dignity and joy.

This Ramadan, let your kindness be a source of hope for those facing hardship. Together, we can make a difference—one meal, one gift, one family at a time.

Ramadan Mubarak,
