

Why Weight Initial Consultation Package

Insurance information is solely obtained for purposes of lab specimen processing. We do not otherwise bill insurance, but can provide receipts with your payment upon request that can be submitted to your insurance company.

Initial Consultation Package \$325.00*

- Initial consultation with Dr. Salter
- Blood draw (Lab work costs are patient responsibility)
- Food review
- Blood review with Dr. Salter
- Health Educator visit

*May be broken into 2 payments. After the initial consultation with Dr. Salter if you decide not to continue with our practice you will only owe the cost of the initial consultation (\$162.50)
