In Memoriam

Dear BRAKING AIDS® Ride Participant:

One of the beautiful aspects of BRAKING AIDS® Ride is its small size. It's a very personal event. We would like to give you the opportunity to personalize the Ride even more by commemorating the people in whose names you are riding.

If you would like to memorialize the friends and loved ones you have lost to HIV/AIDS, please email a photo of each to Blake Strasser at bstrasser@globalimpactpro.com. For each photo, please be sure to tell us the person's full name. Acceptable file formats are .jpg, .png, and .tiff. The higher resolution the photo, the better. Note that these photos will only be used within the Ride community, during the weekend of the Ride.

Please email your photos to Blake no later than September 3. Due to production constraints, names received after this date cannot be included.

We hope that the memorial we will create together will give added meaning to BRAKING AIDS® Ride for you. We look forward to welcoming you to Philadelphia in a few weeks.

Best regards,
The BRAKING AIDS® Ride Team

Due Date: Thursday, September 3

Please have your bike inspected by a bike shop mechanic and follow the inspection up with any recommended repairs. Many bike shops offer free inspections, however there is usually a charge for tune-ups. Here's a list of the things your mechanic should be inspecting as part of the tune-up.
